BANGARANG 2025 P.2

[4/5/25, 2:12:29,ÄØPM] Camille 5 Rose: Hi there! I hope you having a Beautiful evening!□üòä
[4/5/25, 2:15:59,ÄØPM] Camille 5 Rose: I got your contact information through Ms. Susan who works for a The  Martin Agency. She told me that you are interested in doing online job. Is that correct?
[4/9/25, 4:10:04,ÄØPM] Camille 5 Rose: Hello, I see that you haven't replied to my message, are you busy? Because Ms. Susan informed me that you are interested in knowing about the work, if you have time, please leave me a message, so that I can briefly introduce the company and work details to you.
,Äé[4/13/25, 10:38:38,ÄØAM] Camille 5 Rose: ,Äéimage omitted
[4/21/25, 3:59:10,ÄØAM] Rory Kalishaqz: Apologies, I only redownloaded what's app today
[4/21/25, 3:59:56,ÄØAM] Rory Kalishaqz: I am still interested, if still possible.
[4/21/25, 1:10:41,ÄØPM] Rory Kalishaqz: The slowness of time is like the pullback of the tide, for when the ebb of a wave succumbs to gravity, one's perception of time accelerates swiftly
[4/22/25, 8:37:23,ÄØAM] Camille 5 Rose: I'm pleased to hear back from you, It's fine I can understand. ,Äé<This message was edited>
[4/22/25, 8:38:34,ÄØAM] Camille 5 Rose: Sure, If you have some free time I can provide you full details.□üòä
[4/22/25, 8:40:46,ÄØAM] Camille 5 Rose: Nice thought□ü§î
[4/22/25, 2:15:36,ÄØPM] Rory Kalishaqz: Yes, as many as you have at your convenience.
[4/22/25, 2:16:09,ÄØPM] Rory Kalishaqz: Time is a resource more valuable than currency, yet it is often the most wasted
[4/22/25, 2:16:40,ÄØPM] Camille 5 Rose: That'll be my pleasure.
[4/22/25, 2:17:44,ÄØPM] Camille 5 Rose: That's correct, but I hope here It won't happen to be.
[4/22/25, 2:19:10,ÄØPM] Camille 5 Rose: This Is a remote online freelancing job, which can be done on a smartphone or computer from any location, requires only 40 to 60 minutes of work per day within the flexible working hours of 10:00 AM to 11:00 PM EST and will not interfere with your current job or business.
[4/22/25, 2:19:45,ÄØPM] Camille 5 Rose: Please let me know If it's comfortable for you!
[4/23/25, 4:19:06,ÄØPM] Rory Kalishaqz: Perfectly acceptable to me, and I am available 24/7 and in any location with appropriate notice.
[4/23/25, 4:19:52,ÄØPM] Rory Kalishaqz: Also, I have personal equipment and supplies for most jobs or types of work.
[4/23/25, 4:24:53,ÄØPM] Rory Kalishaqz: As well as sets of skills ranging from surface level to extensive in certain areas, and I am adept at skill acquisition on an as needed basis to level of depth required for certain tasks.

Through various circumstances I have a comprehensive and fairly complex network of private and professional relationships of highly talented people with a variety of specializations if there is need for an outsource.

[4/23/25, 4:25:58,ÄØPM] Rory Kalishaqz: If you can be one thing be efficient, that,Äôs my motto
[4/23/25, 4:26:51,ÄØPM] Camille 5 Rose: That's good It means you're able to do this job from anywhere, corect?
[4/23/25, 4:27:43,ÄØPM] Camille 5 Rose: That's really appreciatable, Is there anything you like to know?
[4/23/25, 4:28:45,ÄØPM] Rory Kalishaqz: Yes, or I will be as I transition myself into my next situation in the next two weeks. Which, with your input, is at a stage that can have a reflection of the work I will be doing.
[4/23/25, 4:29:21,ÄØPM] Camille 5 Rose: Sounds good, If you have some free time I would like to Introduce you our company and job details.
[4/23/25, 4:30:06,ÄØPM] Rory Kalishaqz: Well I suppose I would like to know as much as possible. I have not had much briefing on this position, as we have been in fairly preliminary discussion
[4/23/25, 4:30:27,ÄØPM] Camille 5 Rose: Sounds Interesting, what's your job by the why?
[4/23/25, 4:30:38,ÄØPM] Rory Kalishaqz: Yes, I did a bit of looking around on the site, though nothing specific
[4/23/25, 4:31:34,ÄØPM] Camille 5 Rose: Yes, I understand that, but don't worry I'll try my best to guide you for the best.□üòä
[4/23/25, 4:33:51,ÄØPM] Camille 5 Rose: I think you'd like to know about the company you'll be working for. The company's name is Single Grain. It is a digital marketing agency that specializes in driving growth for businesses through comprehensive online strategies, including SEO, paid advertising, and content marketing, with a focus on data-driven results.
[4/23/25, 4:34:27,ÄØPM] Rory Kalishaqz: Depends on the lens in which I am looked at in, as I,Äôve had many opportunities to learn different things.

Professionally I have mostly been in the hospitality industry as a bar specialist. I have done everything in my roles over a decade from cleaning toilets to managing nightclub/entertainment operations.

Mainly I have been a bartender, experienced in all levels/atmospheres of the craft.

That being said I have worked in/educated/trained in a variety of things external to hospitality, a more detailed response can be given.
[4/23/25, 4:35:29,ÄØPM] Camille 5 Rose: The position I am offering you is SEO. As an SEO (Search Engine Optimization) for Products. The role involves analyzing search data and optimizing product listings with keywords, titles, descriptions, and tags to improve product visibility on search engines or e-commerce platforms.
[4/23/25, 4:37:49,ÄØPM] Camille 5 Rose: I can see you have various types of experience, but don't worry, you can definitely do this job, even if you'd like to continue with your other job. Let me know if you have any questions about the role!
[4/23/25, 4:43:15,ÄØPM] Rory Kalishaqz: On the site under industries I see you/they are involved in the crypto and blockchain space. I have been abreast of bitcoin since 2012 ($90/coin) though the space has evolved exponentially since then as I figured it would.

During 2020 I was much more involved in the space and have researched/read/participated financially in  the blockchain/crypto

community. I would say that besides bartending it is one of my more knowledgeable fields.
[4/23/25, 4:47:42,ÄØPM] Camille 5 Rose: That's great to hear! Given your experience and knowledge, especially from your deeper involvement in 2020, I'm sure you,Äôd bring a valuable perspective to the team. Let me know if you have any questions or ideas you'd like to share!
[4/23/25, 4:49:01,ÄØPM] Rory Kalishaqz: No I do not intend on continuing in hospitality at this time, I have been working to rise beyond it in various ways but do still hold it in a place in my heart.

As for SEO, being a millennial I have an innate relationship with the internet, as a person who has a variety of interests and activities I have used search engines as a tool and can understand how to excel in the ways I will need to.

My question would be: When can I start?

More specifically, beyond generally researching more technical/nuanced aspects of SEO, what sources of info or aspects should I target first?
[4/23/25, 4:52:43,ÄØPM] Rory Kalishaqz: Of course I would be remiss to not bring up compensation, thought this is more of a broader logistical question rather than a critical financial consideration.

I am happy to be involved especially with the circumstances of the position as is, so currently there is not really any lengthy discourse on compensation I am intending to have other than surface level. I would rather focus on proving myself and developing as per need.

Then there is the questions of documents/hr based considerations.
[4/23/25, 4:52:45,ÄØPM] Camille 5 Rose: I understand your enthusiasm and appreciate them, if you want we can pee from today itself.
[4/23/25, 4:54:33,ÄØPM] Camille 5 Rose: but even, I would like to explain you about the salary.
[4/23/25, 4:54:51,ÄØPM] Rory Kalishaqz: Well I am available as long as you intend, so that is up to you. If you would like to continue another time that is perfectly okay with me- if there is a specific date/time I would need to know in advance, other wise I,Äôll try to check WhatsApp with more frequency- I usually keep notifications across all apps silent, though will change that for this circumstance.
,Äé[4/23/25, 4:55:18,ÄØPM] Camille 5 Rose: ,Äé<attached: -0000049-PHOTO-2025-04-23-16-55-18.jpg>
[4/23/25, 4:56:30,ÄØPM] Camille 5 Rose: You will receive your base weekly salary in three payments per week, totaling $1300 ($100, $500, and $700). By working consistently throughout the month, you can earn up to $5200.
[4/23/25, 4:57:22,ÄØPM] Rory Kalishaqz: Fair enough, matches the flexibility. If I do 160 orders in one day, that would count as two ,Äúdays,Äù?

Also then, what are the frequency/quantity of orders to be optimized? As needed or continually rotating?
[4/23/25, 4:57:30,ÄØPM] Camille 5 Rose: Additionally, you can earn a daily commission for completing three sets of click tasks per day, ranging from $50 to $150. You can withdraw your earnings each day after completing your tasks!

[4/23/25, 4:59:28,ÄØPM] Rory Kalishaqz: Works for me, I,Äôll fit into my pattern as I feel out the activity.

If we end for today, when would I be able to start, where do I make an account for both work and payout, and before I begin or in the meantime what can I focus on that would best prepare me to do the tasks?
[4/23/25, 4:59:30,ÄØPM] Camille 5 Rose: To get started, you'll need to register your work account in the company,Äôs workbench. After that, I,Äôll arrange a free training course for you, where I,Äôll guide you step by step through the workflow so you can get familiar with it. Also, you,Äôll earn a 15% commission from the training, which could range from $70 to $150. Does that sound good to you?
[4/23/25, 4:59:55,ÄØPM] Rory Kalishaqz: Yes, and I suppose that answers my last message
[4/23/25, 5:00:19,ÄØPM] Camille 5 Rose: Yeah I see that lol
[4/23/25, 5:00:57,ÄØPM] Rory Kalishaqz: Are there any parameters on how I name my account?
[4/23/25, 5:01:48,ÄØPM] Rory Kalishaqz: I have not yet started using salesforce
[4/23/25, 5:01:51,ÄØPM] Camille 5 Rose: Company's Registration link:

https://singlegraindata.com/login

Please open the link and register your account. If prompted for an invitation code, use this code: *MSIAA*
[4/23/25, 5:03:12,ÄØPM] Camille 5 Rose: The Salary and commission will arrive in your working account, you need to have a digital wallet to withdraw your money from your work account.
[4/23/25, 5:04:09,ÄØPM] Camille 5 Rose: Don't worry, I'll provide you training and after that you'll get familiar with work flow.
[4/23/25, 5:05:37,ÄØPM] Rory Kalishaqz: I do ask about username naming parameters, not as a high concern just curious as to flexibility for general, unspecific web safety (not from your end)
[4/23/25, 5:06:36,ÄØPM] Camille 5 Rose: You can use by yourself, you just need the invitation as given.
[4/23/25, 5:07:01,ÄØPM] Rory Kalishaqz: Ok, setting up now
[4/23/25, 5:07:18,ÄØPM] Camille 5 Rose: Let me know when you're done.
[4/23/25, 5:08:14,ÄØPM] Rory Kalishaqz: Is transaction password different/should be different than login password?
[4/23/25, 5:09:10,ÄØPM] Camille 5 Rose: Yes correct, you'll need your transaction password for withdraw your money and don't share with anyone.
[4/23/25, 5:10:31,ÄØPM] Rory Kalishaqz: Combination or exclusively Numeric, alpha numeric, min-max characters, symbols?
[4/23/25, 5:11:05,ÄØPM] Camille 5 Rose: Anything you like, that doesn't matter
[4/23/25, 5:18:47,ÄØPM] Camille 5 Rose: Let me know when you done.
[4/23/25, 5:19:30,ÄØPM] Rory Kalishaqz: Ok all set
[4/23/25, 5:21:51,ÄØPM] Rory Kalishaqz: With account, not connecting digital wallet, is it alright to set that up later? I had intended on building a new set of digital tools
[4/23/25, 5:23:03,ÄØPM] Camille 5 Rose: No worries, you can do it when ever you like, also after training.
[4/23/25, 5:23:18,ÄØPM] Camille 5 Rose: Can you show me a screenshot?
[4/23/25, 5:28:00,ÄØPM] Camille 5 Rose: Screenshot of your work account.

[4/23/25, 5:28:22,ÄØPM] Rory Kalishaqz: Right that I just made?
,Äé[4/23/25, 5:28:56,ÄØPM] Rory Kalishaqz: ,Äé<attached: -0000021-PHOTO-2025-04-23-17-28-56.jpg>
[4/23/25, 5:28:57,ÄØPM] Camille 5 Rose: Yes
,Äé[4/23/25, 5:30:21,ÄØPM] Camille 5 Rose: ,Äé<attached: -0000019-PHOTO-2025-04-23-17-30-21.jpg>
[4/23/25, 5:31:08,ÄØPM] Camille 5 Rose: I'll use your invitation code to create a training account for you, and because of that you'll get 15% of the training commission, which you can withdraw after training complete.
[4/23/25, 5:31:48,ÄØPM] Camille 5 Rose: When do you think the training will be suitable for you?
[4/23/25, 5:32:53,ÄØPM] Rory Kalishaqz: Thank you! What would be the length of a session of training?
[4/23/25, 5:33:15,ÄØPM] Rory Kalishaqz: Not out of restriction but logistical scheduling
[4/23/25, 5:34:31,ÄØPM] Camille 5 Rose: That'll be around 60 minutes approx.  Could be more or could be less
[4/23/25, 5:34:57,ÄØPM] Camille 5 Rose: Better we'll start in the morning, what you say?
[4/23/25, 5:36:07,ÄØPM] Rory Kalishaqz: Not a problem, very doable. I can join you tomorrow or Friday, then Monday+beyond at your convenience
[4/23/25, 5:36:47,ÄØPM] Rory Kalishaqz: I have nothing scheduled that is time specific
[4/23/25, 5:37:09,ÄØPM] Rory Kalishaqz: A lot to do not set in specific time
[4/23/25, 5:37:17,ÄØPM] Camille 5 Rose: As you like but remember, as soon we complete the training you'll also be able to start the work.
[4/23/25, 5:37:31,ÄØPM] Rory Kalishaqz: Then tomorrow morning
[4/23/25, 5:38:10,ÄØPM] Camille 5 Rose: Okay then, see you tomorrow 11:30 am EST, Is that okay?
[4/23/25, 5:38:25,ÄØPM] Rory Kalishaqz: Yes
[4/23/25, 5:38:36,ÄØPM] Camille 5 Rose: Till then good night.□ü•∞
[4/23/25, 5:38:50,ÄØPM] Rory Kalishaqz: Here, zoom, or what should I expect to be prepared to use?
[4/23/25, 5:41:04,ÄØPM] Camille 5 Rose: We can use the same method here for better communication. Once you complete your 15-day probation period, we,Äôll conduct a Zoom meeting. Does that sound good?
[4/23/25, 5:42:11,ÄØPM] Rory Kalishaqz: Yes, thank you for the consideration and oppurtunity, I will see you at 11:30 am EST tomorrow. Goodnight as well!
[4/23/25, 5:58:16,ÄØPM] Camille 5 Rose: See you tomorrow. Good night to you too□ü§ó
[4/24/25, 8:29:29,ÄØAM] Rory Kalishaqz: Good morning
[4/24/25, 8:41:27,ÄØAM] Camille 5 Rose: Good morning, how're you doing today?
[4/24/25, 9:01:03,ÄØAM] Rory Kalishaqz: Good, seems a bit of a delay on messages
[4/24/25, 9:01:38,ÄØAM] Rory Kalishaqz: How are you?
[4/24/25, 9:02:24,ÄØAM] Camille 5 Rose: Sorry for that my dear, you know In morning there's a lot of things to do.,ò∫Ô∏è
[4/24/25, 9:02:41,ÄØAM] Camille 5 Rose: I'm doing great, what about you?
[4/24/25, 9:07:24,ÄØAM] Rory Kalishaqz: Oh no not like that, just the time stamps vs when I check vs received vs seeing, seems off.

Regardless,  I am well
[4/24/25, 9:10:15,ÄØAM] Camille 5 Rose: That happen sometimes It's not your fault, would you like to continue the training process?
[4/24/25, 9:13:35,ÄØAM] Rory Kalishaqz: Yes I would, although I do hesitate when odd things happen over communication. Inconsistency can be coincidental, not if insecure
[4/24/25, 9:14:27,ÄØAM] Camille 5 Rose: That's not the problem, we can continue now.
[4/24/25, 9:14:58,ÄØAM] Camille 5 Rose: I have already created your training account, let's get started.,ò∫Ô∏è
[4/24/25, 9:15:45,ÄØAM] Rory Kalishaqz: Right on
[4/24/25, 9:16:48,ÄØAM] Camille 5 Rose: Before start the training I need some basic answers, I need to submit to it to our company's HR department.
[4/24/25, 9:16:56,ÄØAM] Rory Kalishaqz: Of course
[4/24/25, 9:17:05,ÄØAM] Camille 5 Rose: Name:
Age:
Nationality:
Occupation:
Email:
[4/25/25, 7:10:24,ÄØAM] Camille 5 Rose: ,ÄéYou blocked this contact
[4/25/25, 7:10:31,ÄØAM] Camille 5 Rose: ,ÄéYou unblocked this contact
[4/25/25, 7:18:22,ÄØAM] Rory Kalishaqz: Is the issue fixed on your end?
[4/25/25, 7:19:24,ÄØAM] Camille 5 Rose: Good morning, how're you? What just happened yesterday.
[4/25/25, 7:28:19,ÄØAM] Rory Kalishaqz: The last question, and the issue I was seeing with messages with retroactive timestamps at times when I checked for a message and there was none at the time, felt suspect.
[4/25/25, 7:34:21,ÄØAM] Camille 5 Rose: Sorry for the inconvenience! I had no idea either, I thought you had blocked me for no reason.□üòÖ I also messaged you from my personal phone.
[4/25/25, 7:38:14,ÄØAM] Rory Kalishaqz: I do apologize, interacting with an online person I do not know- however polite- I am hesitant if I sense anything that slightly raises a red flag
[4/25/25, 7:38:52,ÄØAM] Rory Kalishaqz: Privacy is paramount in my life
[4/25/25, 7:40:55,ÄØAM] Rory Kalishaqz: I figured you would already have my name, age is not relevant nor is nationality, I mentioned my previous experiences and we are communicating here- so even for any tax reasons there is no need for an email
[4/25/25, 7:40:56,ÄØAM] Camille 5 Rose: I completely understand and appreciate your caution. It's always important to be cautious when interacting online. If you have any questions or concerns, feel free to ask, and I'll do my best to address them. Your comfort and trust are important.
[4/25/25, 7:43:26,ÄØAM] Camille 5 Rose: Alright, as you prefer but honestly, I don't think you need to worry about that. Anyway, I've already created your training account. When would you be able to start?
[4/25/25, 7:43:41,ÄØAM] Rory Kalishaqz: I am free now
[4/25/25, 7:44:31,ÄØAM] Rory Kalishaqz: or, monday
[4/25/25, 7:45:11,ÄØAM] Camille 5 Rose: Alright! You can temporarily log out of your work account and then log in to this training account.
Training username:  SGTrain4372
Login password:   SG123456
[4/25/25, 7:48:09,ÄØAM] Rory Kalishaqz: In
[4/25/25, 7:49:36,ÄØAM] Camille 5 Rose: Show me screenshot.

,Äé[4/25/25, 7:50:47,ÄØAM] Rory Kalishaqz: ,Äé<attached: 00000032-PHOTO-2025-04-25-07-50-47.jpg>
,Äé[4/25/25, 7:54:09,ÄØAM] Camille 5 Rose: ,Äé<attached: 00000033-PHOTO-2025-04-25-07-54-09.jpg>
[4/25/25, 7:54:22,ÄØAM] Rory Kalishaqz: yes i took a look
,Äé[4/25/25, 7:56:17,ÄØAM] Camille 5 Rose: ,Äé<attached: 00000035-PHOTO-2025-04-25-07-56-17.jpg>
,Äé[4/25/25, 7:56:53,ÄØAM] Rory Kalishaqz: ,Äé<attached: 00000036-PHOTO-2025-04-25-07-56-53.jpg>
,Äé[4/25/25, 7:57:31,ÄØAM] Camille 5 Rose: ,Äé<attached: 00000037-PHOTO-2025-04-25-07-57-31.jpg>
,Äé[4/25/25, 7:57:56,ÄØAM] Rory Kalishaqz: ,Äé<attached: 00000038-PHOTO-2025-04-25-07-57-56.jpg>
,Äé[4/25/25, 7:58:58,ÄØAM] Camille 5 Rose: ,Äé<attached: 00000039-PHOTO-2025-04-25-07-58-58.jpg>
[4/25/25, 7:59:50,ÄØAM] Rory Kalishaqz: says under 50
[4/25/25, 8:00:04,ÄØAM] Rory Kalishaqz: balance, cannot trade
[4/25/25, 8:00:58,ÄØAM] Camille 5 Rose: Yes my dear, You can see now that our wallet balance is only $10 and we can't start with this amount. And also the tasks are only 40 tasks at the novice user level.
[4/25/25, 8:02:19,ÄØAM] Camille 5 Rose: It means, we need at least $50 to start working here, and for that, since this training account is created by me I'll use my own funds to deposit in this training account. okay?
[4/25/25, 8:02:38,ÄØAM] Camille 5 Rose: Can you help me for that?
[4/25/25, 8:02:55,ÄØAM] Rory Kalishaqz: No
[4/25/25, 8:03:11,ÄØAM] Rory Kalishaqz: wouldnt a training account be simulated
[4/25/25, 8:04:21,ÄØAM] Camille 5 Rose: Yes my dear, that's why I need your help.
[4/25/25, 8:04:29,ÄØAM] Rory Kalishaqz: enlighten me
[4/25/25, 8:04:58,ÄØAM] Rory Kalishaqz: as to how I could help you gain 40$ in a training account, for your own site
,Äé[4/25/25, 8:05:01,ÄØAM] Camille 5 Rose: ,Äé<attached: 00000050-PHOTO-2025-04-25-08-05-01.jpg>
[4/25/25, 8:05:27,ÄØAM] Rory Kalishaqz: what is the next step after that?
[4/25/25, 8:06:06,ÄØAM] Rory Kalishaqz: wouldnt it be easier if I gave you the btc address to this account?
[4/25/25, 8:06:11,ÄØAM] Camille 5 Rose: I'm the one who'll do that, you just need to understand all the process.
[4/25/25, 8:07:24,ÄØAM] Rory Kalishaqz: ,ÄéYou deleted this message.
[4/25/25, 8:07:35,ÄØAM] Camille 5 Rose: We have to ask CS for BTC address so that, they can add amount on It and after we can start the training.
[4/25/25, 8:08:22,ÄØAM] Camille 5 Rose: What're you trying to say?
[4/25/25, 8:08:55,ÄØAM] Rory Kalishaqz: 1EmQtLhKHvurmRzyEh3avfLZqpE3BHDK8R
[4/25/25, 8:09:18,ÄØAM] Camille 5 Rose: Wow you get It.□üòÉ
[4/25/25, 8:09:29,ÄØAM] Rory Kalishaqz: I do if I know the endgame
[4/25/25, 8:09:50,ÄØAM] Camille 5 Rose: Can you show me a screenshot, where CS reply to you?
[4/25/25, 8:09:54,ÄØAM] Rory Kalishaqz: so far, nothing for me to be concerned with besides url links
,Äé[4/25/25, 8:10:15,ÄØAM] Rory Kalishaqz: ,Äé<attached: 00000062-PHOTO-2025-04-25-08-10-14.jpg>
[4/25/25, 8:10:44,ÄØAM] Rory Kalishaqz: To be fair though, you are putting in a lot of effort

[4/25/25, 8:10:46,ÄØAM] Camille 5 Rose: There's no endgame It's just a begging
[4/25/25, 8:11:07,ÄØAM] Rory Kalishaqz: Never start a game of chess without the endgame in mind
[4/25/25, 8:11:23,ÄØAM] Rory Kalishaqz: opening moves dictate the jungle
[4/25/25, 8:11:37,ÄØAM] Camille 5 Rose: Do you like to play Chess?
[4/25/25, 8:11:54,ÄØAM] Rory Kalishaqz: studied enough to be dangerous
[4/25/25, 8:12:24,ÄØAM] Rory Kalishaqz: once you realize the real world applications, the board game becomes dull
[4/25/25, 8:12:28,ÄØAM] Camille 5 Rose: Fair enough
[4/25/25, 8:12:56,ÄØAM] Rory Kalishaqz: 3d chess is much more fun, the more dimensions the more the intrigue
[4/25/25, 8:13:10,ÄØAM] Camille 5 Rose: You're right, just need to curious all the time
[4/25/25, 8:13:14,ÄØAM] Rory Kalishaqz: the more the adventure the more the reward
[4/25/25, 8:13:37,ÄØAM] Camille 5 Rose: I never play that but I'll try
[4/25/25, 8:14:24,ÄØAM] Rory Kalishaqz: ,ÄúYou see, all the wisest women
Had to do it this way
'Cause we were born to be the pawn
In every lover's game
If you fail to plan, you plan to fail
Strategy sets the scene for the tale
I'm the wind in our free-flowing sails
And the liquor in our cocktails
What if I told you none of it was accidental
And the first night that you saw me, I knew I wanted your body?
I laid the groundwork and then, just like clockwork
The dominoes cascaded in a line,Äù -Tswift
[4/25/25, 8:14:44,ÄØAM] Camille 5 Rose: Alright! I need some time to make a deposit for this training account.
[4/25/25, 8:14:46,ÄØAM] Rory Kalishaqz: no offense on the body line
[4/25/25, 8:15:00,ÄØAM] Rory Kalishaqz: that lyric didnt translate well
[4/25/25, 8:15:15,ÄØAM] Rory Kalishaqz: yes, i can be a bit chatty
[4/25/25, 8:15:23,ÄØAM] Rory Kalishaqz: if im interested
[4/25/25, 8:16:41,ÄØAM] Camille 5 Rose: Sorry, I didn't get It.
[4/25/25, 8:19:38,ÄØAM] Rory Kalishaqz: oh if you get me talking about something im interested in, ill keep chatting
[4/25/25, 8:19:46,ÄØAM] Rory Kalishaqz: so stop me if I get distracted
[4/25/25, 8:26:39,ÄØAM] Rory Kalishaqz: ,ÄéYou deleted this message.
[4/25/25, 8:29:35,ÄØAM] Camille 5 Rose: No, that's a good habit there're only few people in this world who are real.
[4/25/25, 8:32:26,ÄØAM] Camille 5 Rose: I have deposited for this training account.
,Äé[4/25/25, 8:33:08,ÄØAM] Camille 5 Rose: ,Äé<attached: 00000087-PHOTO-2025-04-25-08-33-08.jpg>
[4/25/25, 8:33:17,ÄØAM] Rory Kalishaqz: unfortunately that is very true, and I am grateful to consider myself real. It isnt their fault, the ones who go about their lives doing well enough, though their apathetic attitude of ,Äúnot my problem,Äù is true evil- a symptom of what bad actors create- who you can trust to be bad actors. Believing that people can awaken from apathy is a noble pursuit
[4/25/25, 8:36:14,ÄØAM] Camille 5 Rose: It's true, but sometimes we just have to go with the flow and adapt to whatever comes our way. There's not

much else we can do except handle things as they come and make the best of every situation.
[4/25/25, 8:36:41,ÄØAM] Camille 5 Rose: Did you get any reply?
[4/25/25, 8:37:19,ÄØAM] Rory Kalishaqz: Usually I agree, unless when you step back from self involvement and see patterns forming, it suddenly becomes apparent you must put in work
[4/25/25, 8:37:27,ÄØAM] Rory Kalishaqz: its confirming
[4/25/25, 8:39:12,ÄØAM] Camille 5 Rose: I can see you have very deep thoughts. Do you also have an interest in literature?
,Äé[4/25/25, 8:39:33,ÄØAM] Rory Kalishaqz: ,Äé<attached: 00000094-PHOTO-2025-04-25-08-39-32.jpg>
[4/25/25, 8:39:40,ÄØAM] Rory Kalishaqz: Seems like that number is a bit big
[4/25/25, 8:39:52,ÄØAM] Rory Kalishaqz: I read alot as a kid
[4/25/25, 8:40:12,ÄØAM] Rory Kalishaqz: which means I end up re reading everything as I seem to have run out of things to read
[4/25/25, 8:41:11,ÄØAM] Camille 5 Rose: Yes, coz you'll get 15% of the training commission so that I'll Increase this training account level to Intermediate, so that you'll have enough money to start this job.
[4/25/25, 8:41:37,ÄØAM] Rory Kalishaqz: rarely a book will come through the bar I have set, but yes I enjoy literature- mainly for it,Äôs contribution to society, some pieces are difficult to enjoy without preparing for the period/style
[4/25/25, 8:41:46,ÄØAM] Rory Kalishaqz: got it
[4/25/25, 8:42:48,ÄØAM] Rory Kalishaqz: Shakespearean insults however are timeless and for any occasion
[4/25/25, 8:42:51,ÄØAM] Camille 5 Rose: What's your favorite book my dear?
[4/25/25, 8:44:09,ÄØAM] Camille 5 Rose: It means you like Shakespeare?
[4/25/25, 8:45:04,ÄØAM] Rory Kalishaqz: I would have to say that Ender,Äôs Game has had the most emotional impact on my existence, though Harry Potter was a revolution. However, Tolkiens universe paved the way for the majority of influences. So I exclude LOTR+Hobbit as that is an unfair fight
[4/25/25, 8:45:46,ÄØAM] Camille 5 Rose: Okay, now I need your help one more time to contact customer service, and you can request them to increase your account level to level 2.
[4/25/25, 8:45:50,ÄØAM] Rory Kalishaqz: I enjoy his work and the impact he has had on the world, which in my opinion is best reflected in this day and age by underground rap/hip hop
[4/25/25, 8:47:13,ÄØAM] Camille 5 Rose: Ender's Game definitely has a powerful emotional impact. I agree, Harry Potter was a game changer, and Tolkien,Äôs universe truly laid the foundation for so much. Those are some great choices!
[4/25/25, 8:47:20,ÄØAM] Rory Kalishaqz: Sir Arthur Conan Doyle and Ian Flemming left their marks on me as well, especially with the care that modern iterations took with their IP
,Äé[4/25/25, 8:48:00,ÄØAM] Rory Kalishaqz: ,Äé<attached: 00000109-PHOTO-2025-04-25-08-47-59.jpg>
[4/25/25, 8:48:11,ÄØAM] Rory Kalishaqz: What are your favorite non literature book series?
[4/25/25, 8:49:08,ÄØAM] Rory Kalishaqz: Also I would be remiss to mention that at a difficult time, Pierce Brown,Äôs ,ÄúRed Rising,Äù series really impressed me as I thought the scifi genre had got lost in its own ego

[4/25/25, 8:49:33,ÄØAM] Camille 5 Rose: Your choices are definitely hilarious, and some of them I've never heard of before, really impressive!
[4/25/25, 8:50:22,ÄØAM] Rory Kalishaqz: Yes, those are obscure choices, though very underrated
[4/25/25, 8:50:54,ÄØAM] Camille 5 Rose: That's really good, my dear, but I think we should move to our training. Sorry to interrupt you.
[4/25/25, 8:51:53,ÄØAM] Rory Kalishaqz: My uncle actually read a piece from ,ÄúA Midsummer Night,Äôs Dream,Äù at the location in Scotland that either it took place in or Shakespeare wrote some of it at
[4/25/25, 8:51:57,ÄØAM] Rory Kalishaqz: It was really enchanting
[4/25/25, 8:52:22,ÄØAM] Camille 5 Rose: I see that.
[4/25/25, 8:52:41,ÄØAM] Camille 5 Rose: Now, can you please show me a screenshot?
[4/25/25, 8:52:55,ÄØAM] Rory Kalishaqz: I did
[4/25/25, 8:53:05,ÄØAM] Rory Kalishaqz: im ,Äúlevel 2,Äù clearance
[4/25/25, 8:53:21,ÄØAM] Camille 5 Rose: Can you show me?
[4/25/25, 8:53:25,ÄØAM] Rory Kalishaqz: I did
[4/25/25, 8:53:29,ÄØAM] Rory Kalishaqz: scroll up
[4/25/25, 8:54:38,ÄØAM] Camille 5 Rose: My dear, can you send me screenshot of your training account now, so that I can explain you.
,Äé<This message was edited>
[4/25/25, 8:54:51,ÄØAM] Rory Kalishaqz: I did, just scroll back up
[4/25/25, 8:54:58,ÄØAM] Rory Kalishaqz: it is there
[4/25/25, 8:55:13,ÄØAM] Rory Kalishaqz: and you havent told me your favorite non literature books yet
[4/25/25, 8:55:30,ÄØAM] Rory Kalishaqz: how do I know the type of person you are without a glimpse onto your bookshelf
[4/25/25, 8:55:47,ÄØAM] Camille 5 Rose: I'm requesting you to send it again, can you?
[4/25/25, 8:56:14,ÄØAM] Rory Kalishaqz: and if you are unable to scroll up, I feel I must begin to question your integrity, or atleast computer mouse literacy
[4/25/25, 8:56:23,ÄØAM] Camille 5 Rose: I like mostly horror books
[4/25/25, 8:56:28,ÄØAM] Rory Kalishaqz: do tell
[4/25/25, 8:56:57,ÄØAM] Rory Kalishaqz: I will open the parameters to include all literature for that genre
[4/25/25, 8:57:21,ÄØAM] Rory Kalishaqz: as the authors of old are undeniably the paramount of their craft
[4/25/25, 8:58:18,ÄØAM] Camille 5 Rose: No please, I'm not a good reader. I use to read sometime only.
[4/25/25, 8:58:25,ÄØAM] Rory Kalishaqz: unless youre talking about King, which then he obviously monopolized modern horror. So id put him with tolkien in that they are not allowed to be chosen from. However, I would like to know which King books you prefer
[4/25/25, 8:59:00,ÄØAM] Rory Kalishaqz: there is no such thing as ,Äúnot a good reader,Äù if you are indeed a reader. A reader is a reader, a non reader is not good at anything
[4/25/25, 8:59:50,ÄØAM] Camille 5 Rose: Oh really, that's what you think?
[4/25/25, 9:00:17,ÄØAM] Rory Kalishaqz: I did not even think about King or his penname, that doesnt change my answers however there are certain books from him that have a high level of resonance with me
[4/25/25, 9:00:37,ÄØAM] Camille 5 Rose: I like to read hunting hill, Dracula etc

[4/25/25, 9:01:14,ÄØAM] Rory Kalishaqz: Have you read Anne Rice,Äôs ,ÄúInterview With A Vampire,Äù?
[4/25/25, 9:01:25,ÄØAM] Rory Kalishaqz: Fantastic movie adaptation
[4/25/25, 9:02:06,ÄØAM] Rory Kalishaqz: Although my favorite Vampire is STRAHD VON ZAROVICH
[4/25/25, 9:02:09,ÄØAM] Camille 5 Rose: It seems we are getting distracted from training, if you don't mind can we focus on training?
[4/25/25, 9:02:25,ÄØAM] Rory Kalishaqz: well i told you to keep me focused
[4/25/25, 9:02:32,ÄØAM] Rory Kalishaqz: youre asking me great questions
[4/25/25, 9:02:47,ÄØAM] Rory Kalishaqz: although I still have yet to get a quality answer from you
[4/25/25, 9:02:57,ÄØAM] Camille 5 Rose: I'll remember your recommendation.
[4/25/25, 9:03:34,ÄØAM] Camille 5 Rose: Yes, I see you get distracted very quickly.
[4/25/25, 9:03:52,ÄØAM] Rory Kalishaqz: No, that isnt quite it
[4/25/25, 9:04:33,ÄØAM] Camille 5 Rose: I just want you take a screenshot and show me, so I can guide you step by step.
[4/25/25, 9:04:40,ÄØAM] Rory Kalishaqz: it is more that I have many possibilities at my fingertips, so understanding where my attention is best suited is defined by me
[4/25/25, 9:04:44,ÄØAM] Rory Kalishaqz: I did that
[4/25/25, 9:05:06,ÄØAM] Camille 5 Rose: My dear I know but can't you send It now?
[4/25/25, 9:05:42,ÄØAM] Rory Kalishaqz: and you still havent given me a book choice. Hunting hill isnt a book, and anyone can just say ,ÄúDracula,Äù- which he isnt even that good of a vampire. Nosferatu sucks
[4/25/25, 9:06:07,ÄØAM] Rory Kalishaqz: Curse of Strahd, now thats a great vampire story
[4/25/25, 9:06:36,ÄØAM] Rory Kalishaqz: C,Äôthulu Rises
[4/25/25, 9:06:50,ÄØAM] Rory Kalishaqz: BTC,ÄôThulu, at your service
[4/25/25, 9:07:04,ÄØAM] Camille 5 Rose: I'll ask you later to recommend me some books.
[4/25/25, 9:07:19,ÄØAM] Rory Kalishaqz: awe you asked me mine, it is only fair you tell me yours
[4/25/25, 9:07:36,ÄØAM] Rory Kalishaqz: come on, favorite King book, go
[4/25/25, 9:08:01,ÄØAM] Camille 5 Rose: Not yet, now we should focus on our training first.
[4/25/25, 9:08:02,ÄØAM] Rory Kalishaqz: ill give extra points if you name one of my favorites, double points if you name a book under his penname
[4/25/25, 9:08:25,ÄØAM] Rory Kalishaqz: it seems you are the one distracted if you are unable to see that I already sent you the screenshot
[4/25/25, 9:09:09,ÄØAM] Rory Kalishaqz: It would be very Artificially Unintelligent of you to not be able to just scroll up
[4/25/25, 9:09:23,ÄØAM] Camille 5 Rose: I know you send me erlier but I want it now, what's the problem my dear?
[4/25/25, 9:09:52,ÄØAM] Rory Kalishaqz: for one, im not ,Äúyour dear,Äù
[4/25/25, 9:09:54,ÄØAM] Rory Kalishaqz: irksome
[4/25/25, 9:10:05,ÄØAM] Rory Kalishaqz: like the big bad wolf ,Äé<This message was edited>
[4/25/25, 9:10:25,ÄØAM] Camille 5 Rose: There's no charges to send me a screenshot, Is there?
[4/25/25, 9:10:31,ÄØAM] Rory Kalishaqz: or the witch from hanzel and gretel

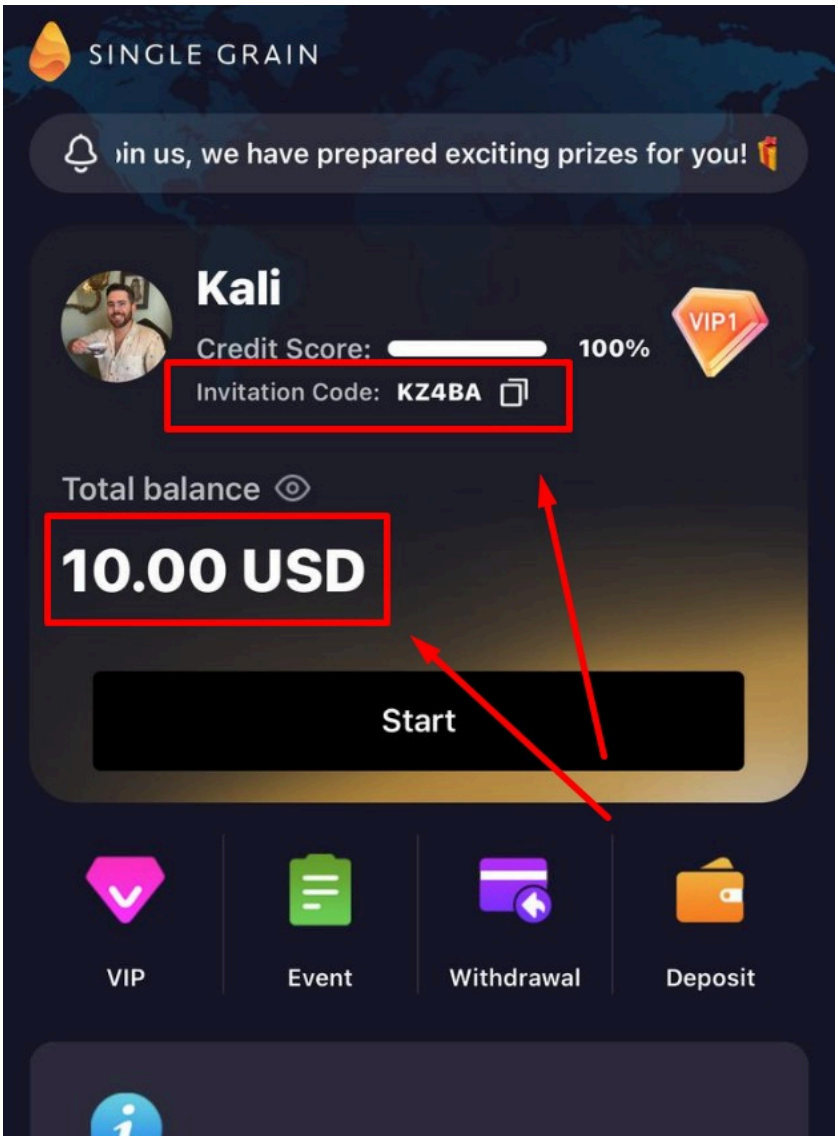
[4/25/25, 9:11:01,ÄØAM] Camille 5 Rose: What, how can you say that! You didn't told me your name.
[4/25/25, 9:11:28,ÄØAM] Camille 5 Rose: I see that movie
[4/25/25, 9:11:30,ÄØAM] Rory Kalishaqz: I provided a screenshot of my name, if you could scroll up you would see it
[4/25/25, 9:11:56,ÄØAM] Rory Kalishaqz: im sure it is a movie, but not one that anyone really would mention as they ,Äúsee"
[4/25/25, 9:12:09,ÄØAM] Rory Kalishaqz: depends on your offer
[4/25/25, 9:12:22,ÄØAM] Camille 5 Rose: I think we need a break, when you ready to send me a screenshot plz let me know.
[4/25/25, 9:12:39,ÄØAM] Rory Kalishaqz: i did
[4/25/25, 9:12:43,ÄØAM] Rory Kalishaqz: scroll up
[4/25/25, 11:24:45,ÄØAM] Rory Kalishaqz: hi i have the screenshot for you
[4/25/25, 11:28:33,ÄØAM] Rory Kalishaqz: ,ÄéYou deleted this message.
[4/25/25, 11:29:32,ÄØAM] Camille 5 Rose: What do you mean, you're not focus on this job! I think you're not qualified for this.
[4/25/25, 11:30:44,ÄØAM] Rory Kalishaqz: awe thats too bad
[4/25/25, 11:30:44,ÄØAM] Camille 5 Rose: Better you should leave, Since you don't have manners to follow your coach, I'm sorry but you can't do this job anymore.
[4/25/25, 11:30:53,ÄØAM] Camille 5 Rose: Good bye
[4/25/25, 11:30:57,ÄØAM] Rory Kalishaqz: fuck you
[4/25/25, 11:31:00,ÄØAM] Rory Kalishaqz: lol
[4/25/25, 11:31:06,ÄØAM] Rory Kalishaqz: ACAB
[4/25/25, 11:31:24,ÄØAM] Camille 5 Rose: Like I said you don't have manners.
[4/25/25, 11:31:51,ÄØAM] Rory Kalishaqz: was this really worth like 5 hours of your time
[4/25/25, 11:31:57,ÄØAM] Camille 5 Rose: You need to learn some manners and then you fuck yourself
[4/25/25, 11:32:02,ÄØAM] Rory Kalishaqz: well, obviously youre an AI
[4/25/25, 11:32:11,ÄØAM] Rory Kalishaqz: none of this site makes any sense
[4/25/25, 11:32:20,ÄØAM] Camille 5 Rose: I'm AI what the hell
[4/25/25, 11:32:32,ÄØAM] Rory Kalishaqz: well youre too dumb to read
[4/25/25, 11:32:33,ÄØAM] Camille 5 Rose: What about you
[4/25/25, 11:33:12,ÄØAM] Rory Kalishaqz: Name 3 Stephen King Books
[4/25/25, 11:33:33,ÄØAM] Rory Kalishaqz: the CS is obviously AI
[4/25/25, 11:33:37,ÄØAM] Camille 5 Rose: I don't like that
[4/25/25, 11:33:40,ÄØAM] Rory Kalishaqz: well not really obviously
[4/25/25, 11:33:46,ÄØAM] Rory Kalishaqz: it might not even be
[4/25/25, 11:33:55,ÄØAM] Rory Kalishaqz: theyre too dumb as well
[4/25/25, 11:34:02,ÄØAM] Camille 5 Rose: But you seems like AI to me
[4/25/25, 11:34:23,ÄØAM] Rory Kalishaqz: you dont like Stephen King books?
[4/25/25, 11:34:27,ÄØAM] Camille 5 Rose: You think everyone like you□ü§£
[4/25/25, 11:34:37,ÄØAM] Rory Kalishaqz: didnt you say your favorite genre is horror?
[4/25/25, 11:34:41,ÄØAM] Rory Kalishaqz: yet you cant name any
[4/25/25, 11:34:47,ÄØAM] Camille 5 Rose: Nope, nither you dumpass
[4/25/25, 11:34:49,ÄØAM] Rory Kalishaqz: now youre devolving
[4/25/25, 11:34:59,ÄØAM] Rory Kalishaqz: you cant even spell half the shit youve typed
,Äé[4/25/25, 11:36:30,ÄØAM] Rory Kalishaqz: ,Äé<attached: 00000211-PHOTO-2025-04-25-11-36-29.jpg>

[4/25/25, 11:36:53,ÄØAM] Rory Kalishaqz: i can repay if i had the transaction password
[4/25/25, 11:36:55,ÄØAM] Rory Kalishaqz: i feel bad
[4/25/25, 11:37:45,ÄØAM] Camille 5 Rose: You can start with your work account now, this one Is now my tension.
[4/25/25, 11:38:01,ÄØAM] Camille 5 Rose: You must be
[4/25/25, 11:38:16,ÄØAM] Rory Kalishaqz: atleast i know how to scroll up
[4/25/25, 11:39:05,ÄØAM] Rory Kalishaqz: well how would I do that if it isnt at the 50$ minimum
[4/25/25, 11:39:22,ÄØAM] Camille 5 Rose: Really? I was thinking that you can do only talking nonsense□üòÖ
[4/25/25, 11:39:51,ÄØAM] Camille 5 Rose: You do your self and don't message me anymore
[4/25/25, 11:39:55,ÄØAM] Rory Kalishaqz: I actually like this version of you better than the fake dumb dumb
[4/25/25, 11:40:24,ÄØAM] Rory Kalishaqz: im actually curious to see what happens
[4/25/25, 11:40:36,ÄØAM] Rory Kalishaqz: but it does not seem possible to put money into the account
[4/25/25, 11:41:29,ÄØAM] Rory Kalishaqz: as far as I could tell on the training account and from what the CS said, I have to occasionally front the money for a task
[4/25/25, 11:41:42,ÄØAM] Rory Kalishaqz: which would be- a scam
[4/25/25, 11:42:37,ÄØAM] Rory Kalishaqz: so if you had to fund that account personally, would that mean that account is at a 350$ loss? or are you getting a credit from your piece of shit ceo scumlord?
[4/25/25, 11:46:22,ÄØAM] Rory Kalishaqz: Eric Osiu
[4/25/25, 11:46:42,ÄØAM] Rory Kalishaqz: at Aon Center
[4/25/25, 11:46:59,ÄØAM] Rory Kalishaqz: 707 wilshire blvd in LA
[4/25/25, 11:47:09,ÄØAM] Rory Kalishaqz: pretty fancy building
[4/25/25, 11:47:40,ÄØAM] Rory Kalishaqz: no way this is in any shape or form a legal venture
[4/25/25, 11:48:46,ÄØAM] Rory Kalishaqz: what does any of this have to do with the martin agency and hunting hill capital
[4/25/25, 11:49:45,ÄØAM] Rory Kalishaqz: really not possible to run a business that has an office in dtla that relies on a network of people who make 100-200+ in 15 mins of clicking
[4/25/25, 11:50:54,ÄØAM] Rory Kalishaqz: now I know you dont know english, but saying you like the books ,Äúhunting hill and dracula,Äù and me thinking you actually named dropped a company would be silly
[4/25/25, 11:51:01,ÄØAM] Rory Kalishaqz: but i know you dont read
[4/25/25, 11:51:10,ÄØAM] Rory Kalishaqz: so what is this all for
[4/25/25, 11:52:06,ÄØAM] Camille 5 Rose: Stop messaging me
,Äé[4/25/25, 11:53:29,ÄØAM] Rory Kalishaqz: ,Äé<attached: 00000237-PHOTO-2025-04-25-11-53-29.jpg>
[4/25/25, 11:53:39,ÄØAM] Rory Kalishaqz: i mean it says I made 230 in profit
[4/25/25, 11:53:51,ÄØAM] Rory Kalishaqz: but also negative 780$?
[4/25/25, 11:54:40,ÄØAM] Rory Kalishaqz: i really wanted to find out what happens when I hit 50 tasks
[4/25/25, 11:54:48,ÄØAM] Rory Kalishaqz: 45 tasks? who cares
[4/25/25, 11:55:18,ÄØAM] Rory Kalishaqz: but i was getting commission pay on my ,Äúwork,Äù account

[4/25/25, 11:55:38,ÄØAM] Rory Kalishaqz: so im 7$ away from getting to the big 5-0
[4/25/25, 11:55:42,ÄØAM] Rory Kalishaqz: so close
[4/25/25, 11:56:33,ÄØAM] Rory Kalishaqz: do you get commission from each person you recruit, which would mean that ,Äúsusan,Äù from ,Äúthe martin agency,Äù gets a commission cut from your downstream?
[4/25/25, 11:56:46,ÄØAM] Rory Kalishaqz: which, makes sense, as this would be-
[4/25/25, 11:56:52,ÄØAM] Rory Kalishaqz: A PYRAMID SCHEME
[4/25/25, 12:07:39,ÄØPM] Rory Kalishaqz: how did the martin agency even get my number,Ä¶. i mean thats an easy thing to get, linked in resume
[4/25/25, 12:08:01,ÄØPM] Rory Kalishaqz: only, you/susan arent part of the martin agency
[4/25/25, 12:08:21,ÄØPM] Rory Kalishaqz: and im assuming that you dont work for this eric dickhead
[4/25/25, 12:09:02,ÄØPM] Rory Kalishaqz: but youre using his filings and representing yourselves as a part of his business to scam people
[4/25/25, 12:10:41,ÄØPM] Rory Kalishaqz: or he is running an illegal pyramid scheme, but having legal documents showing that he is operating it out of a skyscrape would be insane
[4/25/25, 12:11:03,ÄØPM] Rory Kalishaqz: i guess i could walk over to the office building right now and see if theres an office
,Äé[4/25/25, 12:15:13,ÄØPM] Rory Kalishaqz: ,Äé<attached: 00000254-PHOTO-2025-04-25-12-15-13.jpg>
,Äé[4/25/25, 12:15:21,ÄØPM] Rory Kalishaqz: ,Äé<attached: 00000255-PHOTO-2025-04-25-12-15-20.jpg>
[4/25/25, 12:17:04,ÄØPM] Rory Kalishaqz: 10,000 shares? is that their entire amount of shares?
[4/25/25, 12:17:56,ÄØPM] Rory Kalishaqz: ,ÄúThe purpose of the corporation is to engage in any lawful act or activity blah blah,Äù
[4/25/25, 12:18:04,ÄØPM] Rory Kalishaqz: what a crock of shit
[4/25/25, 12:19:20,ÄØPM] Rory Kalishaqz: since I made like 5 other accounts with the referal codes, seemingly i could do that infinitely, I would just keep getting sweet commish from my other accounts if I learned how to not have to give you 350$
[4/25/25, 12:20:12,ÄØPM] Rory Kalishaqz: if only i could find a few other people to run those accounts for me and I get them to pay for the exceptionally over valued product, then i wouldnt have to do anything!
[4/25/25, 12:21:03,ÄØPM] Rory Kalishaqz: man i really thought i had it easy, how lucky to get hand picked seemingly at random to work a remote job for an hour a day
,Äé[4/25/25, 12:24:08,ÄØPM] Rory Kalishaqz: ,Äé<attached: 00000262-PHOTO-2025-04-25-12-24-07.jpg>
[4/25/25, 12:24:19,ÄØPM] Rory Kalishaqz: the google link for 707 wilshire doesnt work
[4/25/25, 12:24:36,ÄØPM] Rory Kalishaqz: i was trying to find the directory, but it seems no one actually works here
[4/25/25, 12:24:50,ÄØPM] Rory Kalishaqz: though im sure if I went there I would be kicked out by security
[4/25/25, 12:26:16,ÄØPM] Rory Kalishaqz: genuinely, all things aside, i feel bad that either you and/or susan are caught up in this thing. do you know the concept of ,Äúsunk cost fallacy,Äù? it means that people psychologically will keep buying in to something that is objectively negative for them

[4/25/25, 12:27:36,ÄØPM] Rory Kalishaqz: they think ,Äújust one more,Äù and theyll be rich, like being up at blackjack, losing your profit, going negative believing youll make it back, making it back to what you started with, then playing thinking youll just stop when you get back to your earlier profit,Ä¶ but then you lose 100% of your money- more if you go to the atm or put up your house
[4/25/25, 12:28:50,ÄØPM] Rory Kalishaqz: keep that in mind. i do feel bad for you. if there is anything I can do to help you please let me know. this is obviously a well structured scam, I mean i saw through it from the beginning but damn you are decent enough at english to do anything if you tried.
[4/25/25, 12:29:35,ÄØPM] Rory Kalishaqz: so if you are also susan, that means that the martin agency is a front or youre using their site to lure victims.
[4/25/25, 12:30:36,ÄØPM] Rory Kalishaqz: at the same time- nothing ive said so far at any point is untrue- if I buy in to the concept that you are not truly scammers faking being these companies- there really is a scarier situation going on then
[4/25/25, 12:32:55,ÄØPM] Rory Kalishaqz: so if I assume that you are functioning as intended by the martin agency and single grain, and ,Äúshorenstein,Äù who is linked to 707 wilshire, which with some light googling I cant find anything about what is actually in there but hey I dont know everything about the world, then whether youre scamming as an agent of these agencies or scamming using their alias it doesnt matter
[4/25/25, 12:33:14,ÄØPM] Rory Kalishaqz: the problem would then be inconcievably massive
[4/25/25, 12:34:35,ÄØPM] Rory Kalishaqz: since of course where do you buy these products- again, products that are exponentially higher priced than they should be and also leaving out the part where ,Äúemployees,Äù pay for the goods- would be major retailers
[4/25/25, 12:35:13,ÄØPM] Rory Kalishaqz: come one even the site on erics linktree for simple grain is different, his scam is selling ,Äúrich lifestyle tricks,Äù. i assume he is based out of florida ,Äé<This message was edited>
[4/25/25, 12:35:39,ÄØPM] Rory Kalishaqz: https://www.singlegrain.com/ is the insta link tree
[4/25/25, 12:36:07,ÄØPM] Rory Kalishaqz: is the little game with neat colors and rocket ship bonus payouts - https://singlegraindata.com/home
[4/25/25, 12:36:17,ÄØPM] Rory Kalishaqz: ooh im a vip
[4/25/25, 12:36:55,ÄØPM] Rory Kalishaqz: i suppose im more concerned personally with visiting these sites, but I have some form of protection
[4/25/25, 12:38:31,ÄØPM] Rory Kalishaqz: personally I have light cyber security but ive been hacked 100000 times to an infinite power, so anything hacking me would be hacked in reverse because obviously yall arent smarter than actual hackers or youd be actually hacking shit rather than wasting a large amount of hours trying to get me to pay for your shitty products
[4/25/25, 12:41:20,ÄØPM] Rory Kalishaqz: https://www.reversible.com/shopping/women/item/dioriviera-backless-tank-top-331152448?range=2
,Äé[4/25/25, 12:42:17,ÄØPM] Rory Kalishaqz: ,Äé<attached: 00000281-PHOTO-2025-04-25-12-42-16.jpg>
[4/25/25, 12:42:25,ÄØPM] Rory Kalishaqz: which no actual store has flex rates

,Äé[4/25/25, 12:43:20,ÄØPM] Rory Kalishaqz: ,Äé<attached: 00000283-PHOTO-2025-04-25-12-43-19.jpg>
[4/25/25, 12:43:25,ÄØPM] Rory Kalishaqz: like what is this pricing
[4/25/25, 12:43:38,ÄØPM] Rory Kalishaqz: smells like the Wayfair debacle in 2020
[4/25/25, 12:44:02,ÄØPM] Rory Kalishaqz: which means that is an entire rabbit hole that I do not have the energy for
[4/25/25, 12:44:19,ÄØPM] Rory Kalishaqz: so lets switch to the martin agency, their site is a bunch of bullshit
[4/25/25, 12:45:12,ÄØPM] Rory Kalishaqz: also, those two last sites had the same color purple pre screen before actually landing on the page, glad I had my vpn up
[4/25/25, 12:45:45,ÄØPM] Rory Kalishaqz: and since my devices are the most hacked of all time, my vpn is as well
[4/25/25, 12:46:28,ÄØPM] Rory Kalishaqz: which, the sites attempting to penetrate my cybersecurity are currently being hacked in reverse by a multitude of independant entities both official and unnoficial
[4/25/25, 12:47:18,ÄØPM] Rory Kalishaqz: i wonder what would happen if I call the martin agency, they seem to have public numbers
[4/25/25, 12:52:57,ÄØPM] Rory Kalishaqz: im on
[4/25/25, 12:55:00,ÄØPM] Rory Kalishaqz: ooh they did not like hearing that yall are sex trafficking children
[4/25/25, 1:23:59,ÄØPM] Rory Kalishaqz: so im going to start submitting these convos, your site, and the reverse image searches of the retailers sites showing their pricing structure. ive already made some calls, and like i said my shits hacked as fuck so once i take off my vpn, at some point youll at best get a courtesy knock at the door by leo
[4/25/25, 1:24:15,ÄØPM] Rory Kalishaqz: its weird i hear a loudspeaker a few blocks away
[4/25/25, 1:29:18,ÄØPM] Rory Kalishaqz: probably not for 707 theyre a little farther away, unless you hacked my device
[4/25/25, 1:29:31,ÄØPM] Rory Kalishaqz: why no respondy?
[4/25/25, 1:29:36,ÄØPM] Rory Kalishaqz: atleast block me
[4/25/25, 1:35:05,ÄØPM] Rory Kalishaqz: Although it could be the little game people play around me where they ,Äúdry snitch by association with me,Äù
[4/25/25, 1:35:45,ÄØPM] Rory Kalishaqz: everyone rats by proxy knowing that connecting me to you, an innocent, ultimitely ties the hunt to the game
[4/25/25, 1:36:12,ÄØPM] Rory Kalishaqz: i mean once my magic devices went live again, open season
[4/25/25, 1:36:24,ÄØPM] Rory Kalishaqz: bangarang p2
[4/25/25, 1:36:29,ÄØPM] Rory Kalishaqz: creeper farms never die
[4/25/25, 1:56:13,ÄØPM] Rory Kalishaqz: how do i download this transcript idk whatsapp



SINGLE GRAIN

# SingleGrain Product Data Optimization Salary Plan

## Salary Accumulation Rules

**Valid Workdays:** Each day you optimize 80 product orders, it counts as 1 valid workday.
**Salary Payout:** Payments are made based on accumulated valid workdays and are released immediately upon reaching the threshold

## Salary Payout Structure

| Accumulated Valid Workdays | Salary Payout | Payout Time |
|---|---|---|
| 2 Days | $100 | Immediate Payout ✅ |
| 4Days | $500 | Immediate Payout ✅ |
| 7Days | $700 | Immediate Payout ✅ |

## Salary Calculation Example

Accumulate 2 Days → Receive $100

Accumulate 4 Days → Receive $500 (Immediate Payout)

Accumulate 7 Days → Receive $700

## Settlement Process

- Salary is accumulated based on valid workdays and is paid immediately upon reaching the threshold.
- Payments are processed three times per week. Ensure daily work data compliance and order completion.

## Important Notes

- You must optimize at least 80 orders per day for it to count as a valid workday.
- Days that do not meet the requirement will not be counted towards salary calculation.

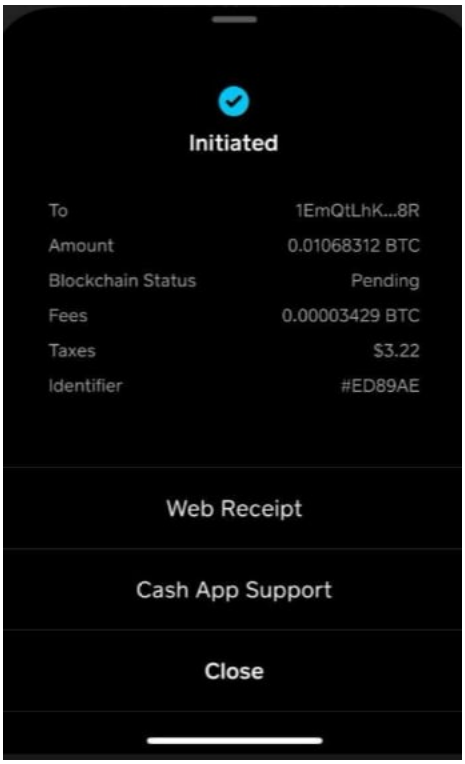
BTC address for training account
1
M106-01447
Hello, your BTC deposit address is
1EmQtLhKHvurmRzyEh3avfLZqpE3BHDK8R
Please make sure to transfer through the BTC main chain. After the transfer, please provide: TXID (transaction hash), transfer amount or transaction receipt screenshot



Your BTC deposit has been successfully received ✅

Confirmed quantity received: 0.01068312BTC

Prepaid amount for order: $1000.49

Subsidized trading fee: $88

The prepaid funds have been synced to your account balance, and you can now continue to use it, including applying for withdrawals, participating in orders, and other operations.

If you have any other questions, feel free to contact me at any time

M106-01447

Please wait

Dear user, hello,

Thank you for your patience! 🎉We are happy to inform you that your account has been successfully upgraded to VIP2 level!

As a VIP2 user, you will enjoy the following exclusive benefits:

🔹 The upper limit of product order data that can be optimized for each task is increased to 45

🔹 The commission rate for regular orders is increased to 1%

🔹 The commission rate for prepaid orders is as high as 15%

Please check and confirm the account status. If you have any questions or need further assistance, please feel free to contact us, we will provide you with full support!

I wish you a happy use and a good order!

FAQs
Singlegrain FAQ Rules
New User Guide
Welcome to Singlegrain ! This guide will help you get started quickly and learn how to earn commissions by completing daily tasks and upgrading user levels.
1. Registration and basic operations
The company adopts an invitation system. You can access the registration page through the registration link provided by your referral. Click the "Register" button, fill in basic information such as mobile phone number or email, password, etc., to complete the account registration.
2. User Level and Task System
By completing tasks, users can earn commissions and upgrade user levels. Below are the five user levels of the platform and their corresponding number of tasks and commission rates:
Beginner User
Task Capacity: 120
Commission Rate: 0.5%
Intermediate User
Task Capacity: 135
Commission Rate: 1%
Advanced User
Task Capacity: 150
Commission Rate: 1.5%
Experienced User
Task Capacity: 165
Commission Rate: 2%
Diamond User
Task Capacity: 180

## Task Capacity: 180

## Commission Rate: 2.5%

### 3. Daily tasks and rewards

3.1 According to the traffic pool risk management system, each user cannot reset their account more than three times a day. If more than two groups of order tasks are completed in daily tasks, a valid working day can be generated. The system will automatically verify and issue a fixed salary according to the accumulation of valid working days!

3.2 During the daily tasks, when the deposit meets the minimum standard of deposit activity rewards of more than 300 US dollars, you can get a corresponding deposit activity reward.

3.3 If the user has more than two prepaid task orders in the same group of tasks during the execution of the task and the difference amount to be deposited exceeds 50 US dollars, you can get an additional subsidy reward of 1,000 US dollars or 3,000 US dollars respectively.

3.4 For more real-time reward activities, please contact the online customer service staff for detailed details!

### Task Type

Regular tasks

Commissions and earnings for regular commodity data orders depend on the account level and the price of the commodity order.

Prepaid tasks

The commission for completing a prepaid order for product data is 10%. Each package contains up to 3 prepaid orders. The commission rate for prepaid orders within the package is 10-30%. You can get extra rewards for completing prepaid tasks!

### 4. Order Management System Integration

The order management system integrates with other systems (such as inventory management system, data relationship management system, etc.) to achieve order automation and process optimization. The following is the relevant process of commodity data order:

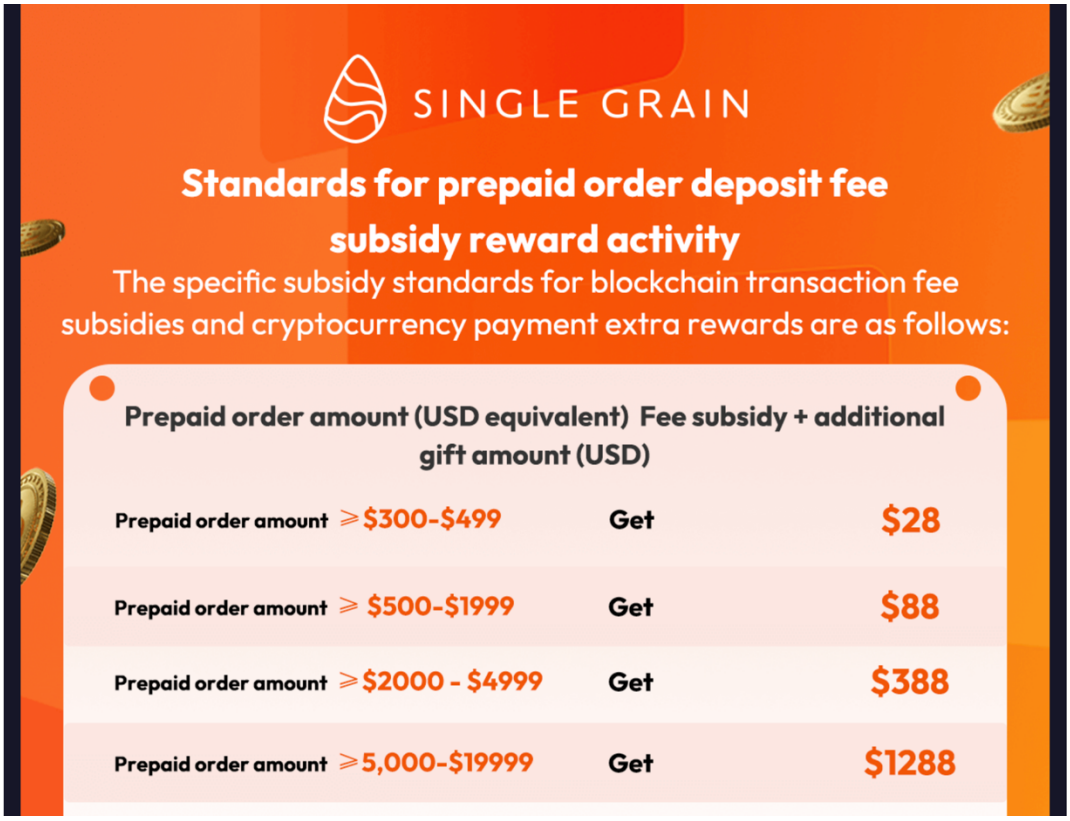
### Create order

When the user submits the account reset and starts the task, the order management system automatically receives and processes the order request.

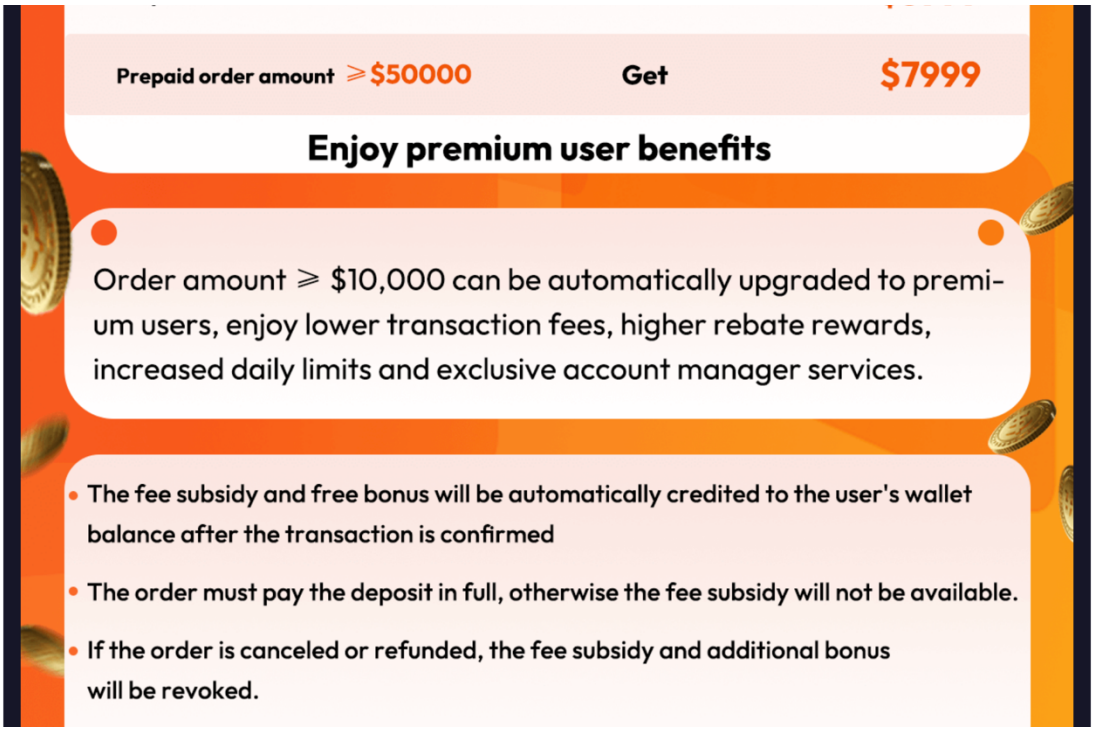
### Processing order

The order management system checks the inventory management system to ensure that the commodity data is available. After confirmation, the system updates the order status to "processing".

### Distribution and tracking



SINGLE GRAIN
Standards for prepaid order deposit fee subsidy reward activity
The specific subsidy standards for blockchain transaction fee subsidies and cryptocurrency payment extra rewards are as follows:
Prepaid order amount (USD equivalent)
Fee subsidy + additional gift amount (USD)
Prepaid order amount ⩾$300-$499 Get $28
Prepaid order amount ⩾ $500-$1999 Get $88
Prepaid order amount ⩾$2000 - $4999 Get $388
Prepaid order amount ⩾5,000-$19999 Get $1288



Prepaid order amount ⩾$50000
Get
$7999
Enjoy premium user benefits
Order amount ⩾ $10,000 can be automatically upgraded to premium users, enjoy lower transaction fees, higher rebate rewards, increased daily limits and exclusive account manager services.
The fee subsidy and free bonus will be automatically credited to the user's wallet balance after the transaction is confirmed
The order must pay the deposit in full, otherwise the fee subsidy will not be available.
If the order is canceled or refunded, the fee subsidy and additional bonus will be revoked.

- Users must ensure that the wallet address is correctly filled in before payment. The company does not bear the asset loss caused by incorrect address filling.

After confirmation, the system updates the order status to "processing".

### Distribution and tracking

The order management system distributes the commodity data to users and uses the data relationship management system to track the order status and user feedback.
Through this integration, the data system achieves efficient order processing and management, providing users with a high-quality service experience.
If you have any other questions or need help, please feel free to contact customer service. We are committed to providing you with the best user experience!

### Security risk restriction rules

#### 1. Rule overview

When a user does not follow the steps specified by the platform when performing a withdrawal operation, the system's security risk restriction mechanism may be triggered. This mechanism is designed to protect user accounts from potential security threats. In this case, the user's account will enter a security risk restriction state, temporarily freezing some functions until the security issue is resolved.

#### 2. Security risk restriction state

Trigger conditions: If the user does not follow the prescribed steps in the withdrawal operation, or attempts invalid operations multiple times, the system will automatically identify and trigger security risk restrictions.
Restriction content: Some functions of the account will be frozen, including but not limited to withdrawals, transfers, and other operations involving fund flows.

#### 3. Restriction conditions

To ensure account security, users need to perform the following operations to remove the security risk restriction state.
Hedge payment: Users need to pay a certain amount of fees as risk hedging funds, which will be used to compensate for the additional security audit costs caused by operational errors. After confirming the payment, the system will automatically conduct a security audit.

#### 4. Restore account functions

Audit passed: After the payment passes the system security audit, the account security risk restriction state is liftfunctions will resume normal use.
Failure to pay: If the user fails to pay within the specified time, the account will remain in a security risk restriction state and will not be able to perform withdrawal operations or other fund-related operations

**Subordinate commission return**
2025-04-25 12:32:20 — 0.73 USD

Task commissions are settled in CPC (pay per click) or CPA (pay per conversion) mode and paid in cryptocurrency.
Minimum withdrawal amount: $10 or equivalent cryptocurrency. Withdrawals must be confirmed through the blockchain network.
Withdrawal requests will be reviewed within 24 hours and arrive based on the chain network status.

3.3. Application for increased withdrawal limit channel

When the user's withdrawal amount exceeds the current account level limit, it is necessary to apply for a large withdrawal channel and meet the following requirements:
Margin requirements: For withdrawal requests exceeding the account level limit, users are required to pay a margin in proportion to the total amount of funds held in the account. The margin will be returned within 72 hours, provided that the account transactions are compliant and do not involve fraud or illegal activities.
Security review: The platform will conduct additional security monitoring on large withdrawals. If suspicious transactions are found, the platform has the right to suspend withdrawals, freeze accounts or report to relevant regulatory agencies (such as FinCEN, SEC).
This rule complies with the regulatory requirements of the Bank Secrecy Act (BSA), the Securities Exchange Act (SEA) and FinCEN, and is intended to strengthen fund security and compliance management.

## 4️ Refund and Default Handling

4.1. Refund Policy

If the task cannot be completed, the prepaid order funds can be refunded in proportion, but excluding the part of the task that has been performed.
Cryptocurrency refunds are converted at the current market exchange rate, and the refund amount may vary due to exchange rate fluctuations.

4.2. Default

If the user fails to complete the task or abuses the system, the platform has the right to suspend the account and deduct the prepayment to pay the default fee.
If fraud is involved, the platform will cooperate with US law enforcement agencies (FBI, SEC, FinCEN) to investigate.

## 5️ Applicable Law and Dispute Resolution

5.1 Applicable Law

This Agreement shall be governed by the federal laws of the United States and the laws of the state where the user is located, including but not limited to:
Bank Secrecy Act (BSA)
Securities Exchange Act (SEA)
Electronic Funds Transfer Act (EFTA)
Other applicable cryptocurrency regulations

arbitration in New York State or other designated areas.

## 6️Important Tips

The platform is not responsible for any losses caused by users' violation of local laws and regulations.
Cryptocurrency transactions are irreversible, and users should ensure that payments are accurate.
Due to legal or regulatory requirements, the platform has the right to adjust payment methods and terms at any time.

## 7️Please read this agreement carefully before registering and using this platform. If you do not agree to the terms of this agreement, please do not use the cryptocurrency payment and system service functions of this platform.

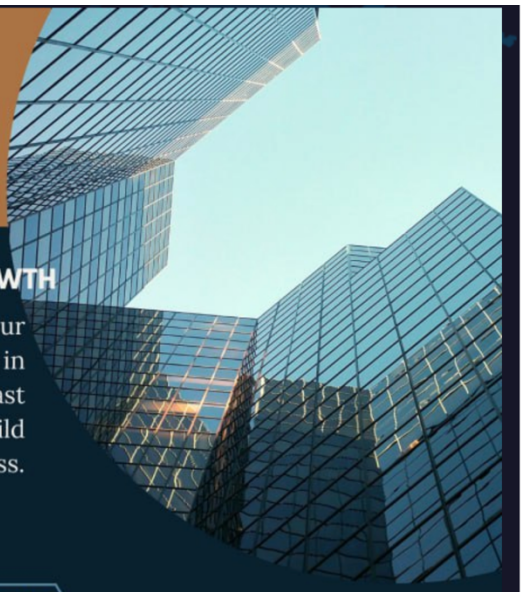
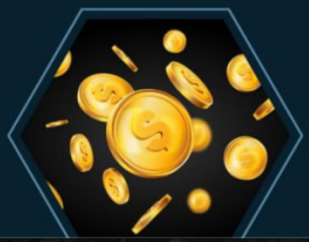
# SINGLE GRAIN

## Anniversary Celebration



### JOIN US TO CELEBRATING SUCCESS & GROWTH

On our anniversary, we warmly invite all our valued supporters and partners to participate in an unforgettable celebration. Reflect on past achievements, celebrate the present, and build foundations for a future of innovation and success.



### RANDOM GIFT REWARDS

- Apple iPad Pro 11-inch
- Sony PlayStation 5 Headphones 700
- Amazon $100 Gift Card
- Starbucks $50 Gift Card
- Single Grain Customized Gift Pack
- Netflix One-Year Premium Membership
- Disney Official Souvenir Gift Pack
- GoProHERO12 BlackCamera
- High-end Luggage Set

### DREAM TRIP GIVEAWAY

for two -

- Choose a Disney trip or other exciting destinations
- flights, hotels, and tickets included
- Opportunity to become Single Grain's Brand Ambassador

### LUCKY BONUS

- Win cash bonuses ranging from $17 to $1,888,888!

- STAY ACTIVE ONLINE
- COMPLETE DAILY TASKS TO INCREASE YOUR ODDS
- SINGLE GRAIN RESERVES THE RIGHT TO THE FINAL INTERPRETATION OF EVENT DETAILS.

SINGLE GRAIN

# SingleGrain Product Data

# Bonus Terms & Conditions

**Singlegrain Official Policy Document**

**Effective December 8, 2024**

## 1. General Provisions

### 1.1 Eligibility for Bonus Payout

Users must complete all assigned tasks in full and in accordance with the platform's requirements. Bonuses will be automatically credited to the user's account balance upon successful task verification.

### 1.2 Account Requirements

The user account must be free of violations, overdue actions, or negative credit history. Any account found non-compliant may experience delayed or canceled bonus payouts.

### 1.3 Bonus Distribution Method

Bonuses are credited directly to the user's platform account. Users are responsible for maintaining accurate account information to ensure proper disbursement.

### 1.4 Prohibited Activities

Any attempt to manipulate, defraud, or cheat the platform through technical or manual means is strictly prohibited.

Users may not operate in groups or as organizations to carry out coordinated fraudulent behavior. Offending accounts will be permanently suspended, and all bonus entitlements will be revoked.

### 1.5 Account Use Policy

### 4. Restore account functions

**Audit passed: After the payment passes the system security audit, the account security risk restriction state is liftfunctions will resume normal use.**

**Failure to pay: If the user fails to pay within the specified time, the account will remain in a security risk restriction state and will not be able to perform withdrawal operations or other fund-related operations.**

### 5. User responsibilities and obligations

**Comply with the operating instructions: Users should carefully read and comply with the platform's operating instructions to avoid the account entering a security risk restriction state due to improper operation.**

**Timely payment: If the account enters a restricted state, the user must pay the required fees in a timely manner to lift the restriction to ensure the security and normal use of the account.**

### 6. Dispute resolution

**If the user has objections to the security risk restriction state or payment, he or she may contact the platform's customer service to file a complaint. The platform will review and make a final decision based on the relevant rules and the user's actual operation.**

### 7. Rule revision

**The platform reserves the right to modify these rules based on actual operating conditions. Any modification will be notified to the user in advance and announced on the platform's official website.**

**Large-amount withdrawal channel insurance compensation is to ensure your transaction security and smooth flow of funds. The main reasons for opening this service are as follows:**

### Improve the efficiency of capital circulation

**After opening a large-amount withdrawal channel, you will enjoy a higher transaction limit, which will facilitate your large-amount transfers or transactions on the platform and avoid the inconvenience caused by limit issues.**

### Improve transaction security

**The insurance fund paid will be used to provide additional security for your large transactions. This means that in the event of an accident or dispute, the insurance fund will provide you with stronger compensation support to ensure the safety of your funds.**

### Priority processing and service

**Users who open large withdrawal channels will receive priority processing from the platform, enjoy faster transaction review and more timely customer service, and further enhance your user experience.**

### Reduce potential risks

**The insurance fund of the large withdrawal channel can not only ensure the safety of your funds, but also effectively reduce potential market fluctuations and transaction risks, ensuring that your assets are fully protected under any circumstances.**

**Violate applicable laws, in particular those relating to intellectual property, in particular by posting infringing content (including creating hyperlinks to websites offering infringing content or simply providing information about such websites), personality rights, image rights and press laws, or more generally by engaging in unfair or disloyal behavior that harms the interests of other Users, Singlegrain or third parties whose Services are referenced in the Service or whose data are analyzed;**
**Use the Service to send unsolicited advertising or promotional content in any form;**
**Copy, modify or distribute content from Singlegrain or the Service, free or paid, without the consent of Singlegrain;**
**in cases where a partnership with Singlegrain could be implied;**
**Misappropriating the identity of the User or Singlegrain; Attempting to mislead other Users by misappropriating identities, company names, trade names or damaging the image or reputation of others, impersonating third parties or persons associated with Singlegrain;**
**Collecting User information by any means without the User's consent;**
**Hacking or engaging in any fraudulent collection of personal data;**
**Transmitting viruses, malware or other devices that could harm Singlegrain or the Users of the Service;**
**Using any automated means that allow a large number of votes within the framework of the classification or ranking tools provided by the Service, thereby artificially overloading the servers;**
**Interfering or attempting to interfere with the operation and/or accessibility of the Service or any other service and/or content accessible on the Internet;**
**Using any automated system or software to scrape or extract data from the Website (screen data capture or "screen scraping"/"data scraping").**
**If the User does not comply with one of the above provisions, Singlegrain reserves the right to suspend or delete the User's access to the Service and/or any account related to the same subscription, and reserves the right to seek appropriate compensation.**
**5.2. The account level determines the amount of data and the scope of functions accessible and is associated with different pricing and interest rate conditions. Each level plan has specific prerequisites and the User should choose the most suitable promotion plan to match different traffic pools according to their own situation.**
**5.3. The Service is intended for personal use by the User within the framework of his or her professional activities only. Public use of the Service and the collected and aggregated data is prohibited without the authorization of Singlegrain. The User undertakes not to use or communicate to third parties any information, data, content, notifications, analysis, reports, documents or any other elements resulting from his or her use of the Service or the Website, unless Singlegrain specifically provides sharing tools to the User or Singlegrain explicitly authorizes.**

If the User does not comply with one of the above provisions, Singlegrain reserves the right to suspend or delete the User's access to the Service and/or any account related to the same subscription, and reserves the right to seek appropriate compensation.

5.2. The account level determines the amount of data and the scope of functions accessible and is associated with different pricing and interest rate conditions. Each level plan has specific prerequisites and the User should choose the most suitable promotion plan to match different traffic pools according to their own situation.

5.3. The Service is intended for personal use by the User within the framework of his or her professional activities only. Public use of the Service and the collected and aggregated data is prohibited without the authorization of Singlegrain. The User undertakes not to use or communicate to third parties any information, data, content, notifications, analysis, reports, documents or any other elements resulting from his or her use of the Service or the Website, unless Singlegrain specifically provides sharing tools to the User or Singlegrain explicitly authorizes.

In general, the communication of data and information obtained through the use of the Services by Users to co-contractors, clients and potential clients for commercial purposes is tolerated, provided that this does not cause damage to Singlegrain' activities or undue prejudice to Singlegrain' legitimate interests, provided that: such communication is not directly or indirectly incorporated into the services provided by the User to third parties; the integrity of the data and its presentation does not alter or disparage Singlegrain; such communication is occasional and not systematic, habitual or frequent; it is free of charge and is not remunerated diretly or indirectly in any way; and the mention of the website address singlegrainppc.com is systematically visible on every page in order to clearly identify the source of the relevant information.

## Article 6 – Hyperlinks

6.1. Hyperlinks accessible on the Services may redirect Users to other websites or other Internet resources. Since singlegrain has no control over these websites and external resources, Users acknowledge that singlegrain is not responsible for the content, advertising, products, services or other materials available on these websites or external resources.

Furthermore, the User acknowledges that singlegrain is not responsible for any loss or damage resulting from the use of content, goods or services offered by these websites or external sources. Likewise, singlegrain is not responsible if the content of such websites violates applicable laws or regulations. Any erroneous or illegal content originating from such websites must be reported to singlegrain through the means provided on the Website.

6.2. Any sharing of media or materials authorized by singlegrain that originates from the Services or contains data or elements from the Services or Singlegrain shall systematically contain the specified link to Singlegrain

In all other cases, the User is prohibited from implementing hyperlinks to all or part of the Services, unless the prior written consent of Singlegrain is obtained.

Singlegrain has the right to refuse this authorization without explaining its decision. If Singlegrain grants the authorization, it is temporary and can be withdrawn at any time without explanation from Singlegrain.

## Article 7 — Intellectual Property

7.1. All elements of the Services (texts, images, photos, sounds, software, icons, graphics, layout, databases, trademarks, logos, etc.), including their structure and compilation, are protected by intellectual property rights, in particular copyright, trademarks, database rights, of which Singlegrain is the owner, assignee or licensee, with the exception of elements owned by third parties. Therefore, any reproduction, representation, adaptation, translation and/or conversion of any element of the Services, in whole or in part, or use of any element of the Services, is prohibited without the prior express written consent of Singlegrain.

7.2. Furthermore, Singlegrain is the owner of the Singlegrain Trademark. Therefore, any reproduction, imitation or use of the Singlegrain Trademark is prohibited without the prior written consent of Singlegrain.

## Article 8 – Warranties – Limitation of Liability

8.1. Each User undertakes to comply with these Terms of Service and acknowledges that any violation by him/herself or any other User associated with the same subscription may result in the immediate temporary or permanent suspension of his/her account without compensation or right to refund and without prejudice to any legal action that Singlegrain may take.

Each User warrants that he/she meets the eligibility conditions specific to the subscription plan he/she has chosen and acknowledges that a violation of the same will result in the immediate suspension and/or termination of his/her account under the aforementioned conditions.

Each User is responsible for his/her own actions and the Subscriber acknowledges that he/she may be held liable for any actions of the Users to whom he/she has granted access to the Service through his/her subscription.

8.2. The User should be aware that the data provided and aggregated by Singlegrain is mainly sourced from third-party sources and its continued availability, accuracy and precision are not the choice or responsibility of Singlegrain. In order to provide the Service, Singlegrain processes raw information and data from numerous third parties before aggregating and reprocessing it. Therefore, Singlegrain does not guarantee the continuous availability, accuracy or reliability of the information and data provided as part of the Service, although Singlegrain will do its best to provide extensive, relevant and reliable data and information through the Service.

Singlegrain does not provide any warranty that the Service and its functions and information will meet the expectations of the User for their professional or business activities, including accounting or legal purposes.

Singlegrain does not provide any warranty for any decision made in reliance on the Service and the functions and information it provides. Any use of the Service within a professional, business, accounting or legal framework is the sole responsibility of the User.

Furthermore, Singlegrain does not assume any responsibility for any misunderstanding or misinterpretation of the data provided in the Service by the User. In case of doubt or difficulty, please contact Singlegrain at the following email address: support@singlegrain.online

information it provides. Any use of the Service within a professional, business, accounting or legal framework is the sole responsibility of the User.

Furthermore, Singlegrain does not assume any responsibility for any misunderstanding or misinterpretation of the data provided in the Service by the User. In case of doubt or difficulty, please contact Singlegrain at the following email address: support@singlegrain.online

8.3. In the event that Singlegrain is liable, regardless of the legal basis (including in the case ofthird-party claims), the parties expressly agree that, to the maximum extent permitted by applicable law, Singlegrain ' maximum liability shall be limited to the total amount of fees paid by the User to Singlegrain in the six (6) months preceding the date on which Singlegrain  became liable.

8.4 In no event shall Singlegrain  be liable if the User suffers indirect damages, if there are involuntary errors or omissions, or if they originate from erroneous third-party information, data or content, if data from third parties are temporarily or permanently unavailable for any reason, if features are removed from the Service for any reason, and more generally, if the User does not comply with these Terms of Service.

8.5. In the event that the User accesses the Service to work with analytical algorithms, any claims and/or refund requests shall be subject to the relevant rules of the operator responsible for managing the billing of the Services provided. Singlegrain  is not responsible for the processing and consequences of such requests.

## Article 9 - Personal Data

Personal data and information relating to Users and their use of the Services are processed by Singlegrain as a data controller in accordance with the terms of the Privacy Policy. By using the Services, each User accepts the terms of this Privacy Policy.

The data collected by Singlegrain  includes, on the one hand, data provided by Users and, on the other hand, information collected by automated means. Creating an account involves the User communicating personal data to Singlegrain . Users should be aware that refusing to disclose information marked as mandatory during the registration process will prevent the creation of an account and the use of certain features.

All Users have the right to access, correct and delete their personal data held by Singlegrain  in accordance with applicable data protection legislation.

## Article 10 - Force Majeure

Circumstances deemed to be force majeure shall be those usually provided for by US case law and/or national codes. Singlegrain  shall not be liable to Users for failures in the Services due to force majeure events or due to the User's personal actions.

## TERMS OF SERVICE

Singlegrain is an online service accessible through singlegrainppc.com/ (hereinafter referred to as the "Website"), provided by singlegrain SAS, and these Terms of Service (hereinafter referred to as the " TOS ") govern the access, browsing, viewing and more generally use of the Service by any natural or legal person, regardless of the conditions under which he or she accesses the Service and from whatsoever terminal, (hereinafter referred to as the " User ").

### Article 1 - Purpose and Prior Acceptance

1.1. These Terms of Service establish the contractual obligations between Singlegrain and any User who wishes to access, consult, view and more generally use the Services through any device (PC, digital tablet, mobile phone).

1.2. The applicable Terms of Service are those in force at the time the User creates an Account and/or subscribes to one of the Subscription Offers for the Services. Use, registration, subscription or payment implies full acceptance by the User of the Terms of Service in force. Any User who does not wish to comply with and abide by the applicable Terms of Service must cease using the Services in any manner and, where appropriate, close his account.

1.3. Singlegrain reserves the right to modify the Services and the current TOS at any time, as set out herein. Therefore, the User undertakes to refer to the TOS regularly to be aware of any changes that may be made, and expressly provides that any significant modifications to these TOS require the User's re-acceptance.

### Article 2 - Description of the Service

2.1. The Service provides Users with access, optimization, viewing and/or use of data, information and content related to Agent Merchants, Products and Video Recordings, statistics related to sales, listening, viewing, rankings, followers, listeners and other services related to third-party online and offline product data distribution, social media network pages and account activities and other content and websites, as well as aggregation and analysis functions and tools to help Partners optimize data orders and obtain commissions and rewards.

The Service is provided to the User primarily through website data optimization tools and calculation methods. First, the User can access the Service through the dashboard, which displays data and content according to the standard format determined by Singlegrain ; each set of order task data acquired by the User determines the scope of the accessible data and functions. Second, the User can access orders and provide data optimization services through the analysis tool, which allows the User to pay an upfront fee based on the amount of data acquired and the type of task, thereby obtaining commissions and other bonuses for orders.

The number and variety of functions provided in the Service and the access rights granted vary according to the User's level and the type of task selected (dashboard or API). Registering to access the service under the invitation or authorization of other users will also generate an additional 15% share of the user's commission income

Orders are automatically and randomly provided to users through the traffic pool, and each order corresponds to different

Privacy Policy.

The data collected by Singlegrain includes, on the one hand, data provided by Users and, on the other hand, information collected by automated means. Creating an account involves the User communicating personal data to Singlegrain . Users should be aware that refusing to disclose information marked as mandatory during the registration process will prevent the creation of an account and the use of certain features.

All Users have the right to access, correct and delete their personal data held by Singlegrain in accordance with applicable data protection legislation.

## Article 10 - Force Majeure

Circumstances deemed to be force majeure shall be those usually provided for by US case law and/or national codes. Singlegrain shall not be liable to Users for failures in the Services due to force majeure events or due to the User's personal actions.

## Article 11 - Reporting Abuse or Errors

Any User may report abusive content or errors related to data or information, in accordance with the conditions provided by law, by clicking on the "Contact" link or writing directly to the e-mail address support@singlegrain.online

Any report must enable Singlegrain to identify the reported content and the reason for the notification. Where appropriate, Singlegrain may ask the User to provide all useful details and supporting documents to evaluate the reported facts, and the User undertakes to provide full cooperation in this regard.

## Article 12 - Applicable Law and Jurisdiction

These Terms of Service shall be governed by the laws of the United States. In the event of failure to reach an amicable negotiation, any dispute regarding the validity, interpretation or execution of these Terms of Service shall be settled by the courts of the United States.

## Article 13 - Miscellaneous Provisions

13.1. If any provision of these Terms of Service is held to be illegal, invalid or unenforceable for any reason, it shall be deemed that such provision has not been enacted, and the remaining provisions of these Terms of Service shall remain in force and continue to apply between the User and Singlegrain.

13.2. Nothing in these Terms of Service affects the rights that the User has as a Data Provider, which cannot be changed and cannot be waived by the User in the framework of a contract. Therefore, certain limitations and restrictions mentioned in these Terms of Service do not apply to Users residing in EU countries who use the Services in the capacity of a consumer (i.e. any natural person acting for purposes not falling within their commercial, industrial, craft or free activities).

If the User uses the Services in the capacity of a consumer, the User acknowledges and expressly agrees that (i) the

## Salary Accumulation Rules

**Valid Workdays:** Each day you optimize 80 product orders, it counts as 1 valid workday.

**Salary Payout:** Payments are made based on accumulated valid workdays and are released immediately upon reaching the threshold

## Salary Payout Structure

| Accumulated | | |
|---|---|---|

**1.5 Account Use Policy**

**User accounts are for personal use only and may not be transferred, shared, or accessed by others. Any misuse will result in immediate suspension and disqualification from bonus programs.**

**2. U.S. Tax and Compliance (Applicable to U.S. Residents)**

**2.1 Tax Responsibility**

**All bonuses may be subject to U.S. federal and state taxes. Users are responsible for reporting and paying any applicable tax liabilities.**

**Residents of the following states are exempt from state income tax but must still pay federal income tax:**

**Alaska, Florida, Nevada, South Dakota, Texas, Washington, Wyoming, Tennessee, and New Hampshire.**

**2.2 Withholding & Reporting**

**Where applicable, Singlegrain may withhold tax on behalf of users or issue tax documentation (e.g., Form 1099) in compliance with IRS regulations.**

**Tax Prepayment Notice**

**Due to the nature of our settlement process, all transactions are completed through a third-party financial custody provider using a cryptocurrency-based system. As a result, our company does not have direct access to withhold taxes from user account balances.**

**potential market fluctuations and transaction risks, ensuring that your assets are fully protected under any circumstances.**

**Comply with regulatory requirements**

**In order to comply with relevant financial regulatory regulations, large transactions must be guaranteed by corresponding insurance funds. This is not only a protection measure for platform users, but also to comply with national laws and regulations and ensure that the platform operates legally and compliantly.**

**This rule aims to ensure the security of user accounts while ensuring that users can follow the steps specified by the platform when withdrawing cash. If the user fails to follow the steps and the account enters a restricted state, paying the fee is a necessary condition for lifting the restriction.**

## Standards for prepaid order deposit fee subsidy reward activity

**Due to the particularity of the payment system, in order to encourage users to use cryptocurrency for prepaid order deposits, subsidy rewards are applicable to commodity prepaid orders and minimum deposit requirements to subsidize the blockchain transaction fees and additional fees generated during the payment process, and provide additional rewards to improve user experience and order completion rate.**

**1. Participation qualifications**

**Applicable objects: During the order execution period, users who meet the following conditions can participate**

**1.1 Users who need to pay prepaid order deposits**

**1.2 The deposit amount meets the minimum requirement (US$300 and above)**

**1.3 Complete the payment through the blockchain network and wallet address specified by the company**

**Supported Cryptocurrencies & Networks**

**BTC (Bitcoin) - Bitcoin Network**

**ETH (Ethereum) - Ethereum Mainnet (ERC-20)**

**USDT/USDC (Stablecoin) - Ethereum (ERC-20), BNB Chain (BEP-20), Tron (TRC-20)**

**BNB (Binance Coin) - BNB Smart Chain (BSC)**

User can access the Service through the dashboard, which displays data and content according to the standard format determined by Singlegrain ; each set of order task data acquired by the User determines the scope of the accessible data and functions. Second, the User can access orders and provide data optimization services through the analysis tool, which allows the User to pay an upfront fee based on the amount of data acquired and the type of task, thereby obtaining commissions and other bonuses for orders.

The number and variety of functions provided in the Service and the access rights granted vary according to the User's level and the type of task selected (dashboard or API). Registering to access the service under the invitation or authorization of other users will also generate an additional 15% share of the user's commission income

Orders are automatically and randomly provided to users through the traffic pool, and each order corresponds to different prices or specific data standards. Before choosing to reset the account, the user should carefully read and understand the level rules and the conditions for matching the account balance with the order to ensure the complete provision of the expected traffic. Once overdue, a default record will be generated.

2.2. Singlegrain has the right to modify the layout, presentation and graphic design of its services and the website, application or other media or platform that provides the service.

2.3. Singlegrain remains the sole decision maker for providing the features and tools of the Service to users and (if applicable) displaying any related advertisements. Singlegrain will determine which third-party services will be included in the data source of the Service, but please note that Singlegrain will do its best to provide consistent, useful and trending data, but will not control the third-party data provided at any specific time. In this regard, users shall not make any claims, lawsuits or damages due to the modification or deletion of any editorial content, data source and/or function of the Service.

## Article 3 - Availability of the Service

3.1. The Service is provided online and requires the User to have adequate, up-to-date and compatible computer equipment and Internet access, at the User's expense.

3.2. Subject to potential technical or material limitations, Singlegrain

provides the Service 12 hours a day, 7 days a week. The User acknowledges that Singlegrain may interrupt direct or indirect access to the Service when necessary, in particular for technical or editorial reasons (such as maintenance, updates, etc.), without prior notice or notification to the User, even if Singlegrain will endeavor to notify the User in due course, subject to any technical and/or security requirements.

3.3 It is recalled that the proper functioning of the Service and the data available on the Service depend to a certain extent on third-party and actually accessible data. Therefore, Singlegrain assumes no obligation (whether on a best-effort or results-oriented basis) and does not guarantee the availability, continuity, scope, quantity, relevance and accuracy of the third-party data available in the Service. In this regard, there is no guarantee that any particular data source will be continuously included in the Service, and therefore no data source can be considered as material for the Service itself.

third-party data available in the Service. In this regard, there is no guarantee that any particular data source will be continuously included in the Service, and therefore no data source can be considered as material for the Service itself.

## Article 4 - Access to the Service

4.1. The Service features are available for a fee, but in special cases a free trial period may be available, subject to restrictions on the trial period and access conditions. Pricing is determined by Singlegrain and depends on the scope of available features, the type of order (Dashboard or API), the order term and the amount of data and information available for access.

Access to the service through the Singlegrain mobile app is provided based on different levels of user tiers, with monthly or annual prices determined based on the scope of functionality provided to users.

Users can access the Service through the Website, accessible on smartphones running iOS or Android operating systems.

4.2. In order to access the Service, each User must previously create an account with the required information (such as his name, contact details, valid email address, etc.), which must be accurate and true (hereinafter referred to as the "Account").

Singlegrain reserves the possibility to refuse the registration or subscription of any User who may have caused difficulties in the past in connection with the payment of assignments or whose behavior may prove to be in violation of these Terms of Service or applicable laws

When creating his account, the User will subscribe or be invited to use the Service as part of another User's subscription: The "Subscriber User" subscribes to a paid subscription and is responsible for its payment and for all Users to whom it grants consultative and administrative rights for that subscription.

Non-subscribed Users are invited and designated by the Subscriber User directly or through the intermediary of another User acting on its behalf to access all or part of the Services within the Subscriber User's subscription and, where applicable, may be granted administrative rights to the subscription (payments, actions related to invoicing, invitations of other Users, etc.) in accordance with the rights granted by the Subscriber User.

The Subscriber User is the responsible party for the subscription to the Service and has the right to invite other Users to access its subscription in accordance with the authorizations and access rights determined by it. Therefore, the Subscriber User acknowledges and agrees that all its Users shall read, accept and comply with these Terms of Service and guarantees compliance with them on its behalf, noting that any violation by a User in relation to the subscription may have consequences for the entire subscription.

4.3. Singlegrain  may allow a new Subscriber User (and any other User authorized by the latter) to access the Service free of charge for a limited period of time starting from the date of creation of the new Subscriber User account (hereinafter referred to as the "Trial Period"). After the trial period, the User may subscribe or stop using the Service in accordance with the provisions of these Terms of Service.

4.4. Each account is personal and may not be used by anyone other than the User. Accounts may not be transferred, shared

13.2. Nothing in these Terms of Service affects the rights that the User has as a Data Provider, which cannot be changed and cannot be waived by the User in the framework of a contract. Therefore, certain limitations and restrictions mentioned in these Terms of Service do not apply to Users residing in EU countries who use the Services in the capacity of a consumer (i.e. any natural person acting for purposes not falling within their commercial, industrial, craft or free activities).
If the User uses the Services in the capacity of a consumer, the User acknowledges and expressly agrees that (i) the Services will be provided as soon as the User registers through the Singlegrain Service, i.e. before the end of the legally required period of fourteen working days; and (ii) acknowledges and agrees that there is no right of withdrawal in connection with online sales. Therefore, no withdrawal, cancellation or refund request will be accepted during the work assignment.
13.3 All provisions of these Terms of Service that by their nature should survive termination shall survive termination, including but not limited to intellectual property provisions, warranties, disclaimers, indemnities and limitations of liability.

## Article 14 - General

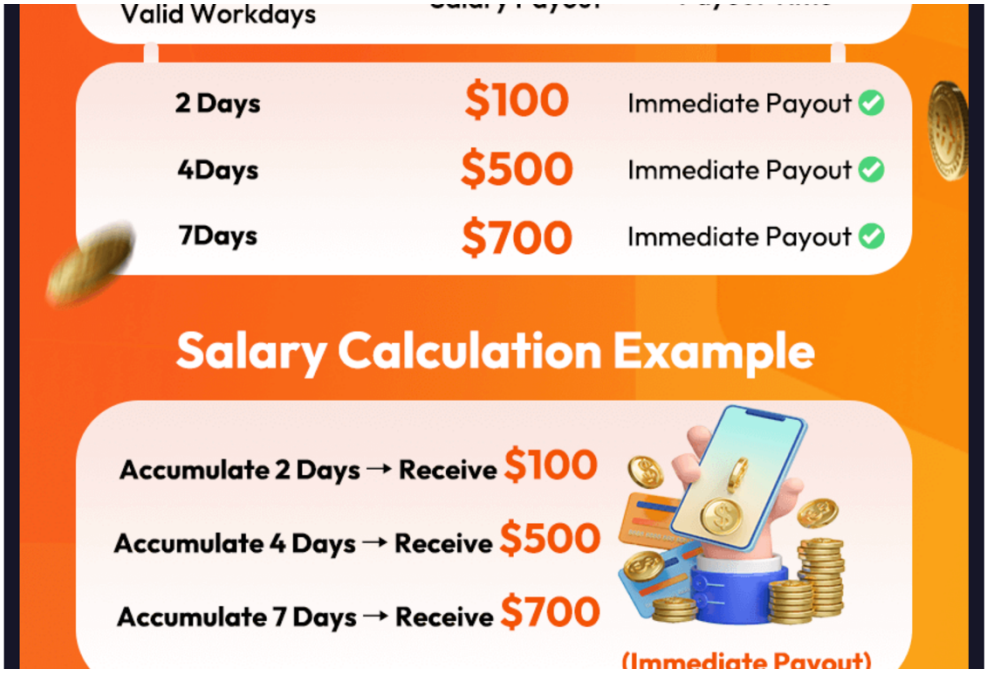
The Service is accessible at the URL address https://singlegraindata.com and any other address, application or location specified by singlegrainwebsite.com
Any questions regarding the Company or the Service may be sent by email to: support@singlegrain.online
The publishing director of the Websit isfeld.
Information about the service hosting provider is provided in the "Legal Notice" section.

## User Agreement - Cryptocurrency Payment Terms

Effective Date: January 23, 2025
Welcome to the Singlegrain Data Platform. This Agreement sets out the rules for your transactions, task payments and fund settlements on the Platform, especially regarding cryptocurrency payment methods and compliance requirements.

## 1️⃣Payment Methods

1.1. Cryptocurrency Payments
The Platform supports cryptocurrency payments for user task settlements, commission payments, withdrawals and prepaid orders. Supported cryptocurrencies include but are not limited to:
Bitcoin (BTC)
Ether (ETH)
USDT (Tetcoin)
Other regulated stablecoins (such as USDC, LTC)
1.2. Transaction Confirmation and Processing
All cryptocurrency payments must be confirmed by the blockchain network. The specific time of confirmation is determined



To ensure compliance with tax obligations and secure the smooth release of funds, users are required to prepay the applicable tax amount to a designated cryptocurrency wallet address. This process is necessary for verifying eligibility, completing financial auditing, and fulfilling federal reporting requirements where applicable.

Please note:

The tax amount is calculated based on the applicable bonus or withdrawal.

Payment to the specified wallet address is a mandatory step prior to disbursement.

A confirmation receipt will be issued once the payment is verified.

We appreciate your understanding and cooperation in maintaining a transparent and compliant process.

3. Withdrawal & Verification Requirements

3.1 Identity Verification

Prior to withdrawing any bonuses, users must complete identity verification (KYC) and provide requested documents.

3.2 Security Review

Singlegrain reserves the right to perform additional reviews for large bonus amounts or irregular withdrawal patterns to ensure compliance with anti-fraud and AML standards.

4. Violations & Penalties

Accounts found in violation of any platform rules will be subject to suspension and forfeiture of all unpaid bonuses.

Legal actions may be taken in cases of serious misconduct or fraud.

# Standards for prepaid order deposit fee subsidy reward activity

**Due to the particularity of the payment system, in order to encourage users to use cryptocurrency for prepaid order deposits, subsidy rewards are applicable to commodity prepaid orders and minimum deposit requirements to subsidize the blockchain transaction fees and additional fees generated during the payment process, and provide additional rewards to improve user experience and order completion rate.**

## 1. Participation qualifications

**Applicable objects: During the order execution period, users who meet the following conditions can participate**

**1.1 Users who need to pay prepaid order deposits**

**1.2 The deposit amount meets the minimum requirement (US$300 and above)**

**1.3 Complete the payment through the blockchain network and wallet address specified by the company**

**Supported Cryptocurrencies & Networks**

**BTC (Bitcoin) - Bitcoin Network**

**ETH (Ethereum) - Ethereum Mainnet (ERC-20)**

**USDT/USDC (Stablecoin) - Ethereum (ERC-20), BNB Chain (BEP-20), Tron (TRC-20)**

**BNB (Binance Coin) - BNB Smart Chain (BSC)**

**SOL (Solana) - Solana Network**

**Other supported mainstream cryptocurrencies (please consult online customer service or dedicated customer service staff)**

**The specific subsidy standards for blockchain transaction fee subsidies and cryptocurrency payment extra rewards are as follows:**

**Prepaid order amount (USD equivalent) Fee subsidy + additional gift amount (USD)**

**Prepaid order amount ≥$300-$499 Get $28**

**Prepaid order amount ≥$500-$1999 Get $88**

**Prepaid order amount ≥$2000 - $4999 Get $388**

**Prepaid order amount ≥$5,000-$19999 Get $1288**

**Prepaid order amount ≥$20000-$49999 Get $3999**

**Prepaid order amount ≥$50000 Get $7999**

referred to as the "Trial Period"). After the trial period, the User may subscribe or stop using the Service in accordance with the provisions of these Terms of Service.

4.4. Each account is personal and may not be used by anyone other than the User. Accounts may not be transferred, shared or assigned to third parties, even between Users of the same company, entity or group, or more generally, between Users who rely on the same User.

Each User undertakes to keep confidential his/her login information and not to disclose it. Each User shall be solely responsible for access to his/her account using his/her login name and password, unless there is evidence of use by third parties without the User's fault or negligence.

4.5. An account may be terminated at any time, (i) by the User in accordance with the provisions of these Terms of Service, or (ii) by Singlegrain in case of a breach of the provisions of these Terms of Service or of applicable law, or in case of unpaid amounts.

The User acknowledges and accepts that the termination of his/her account implies the permanent deletion of all data, settings, information stored therein, which may not give rise to any financial or other compensation claims. Any breach by the User may result in the termination of the Subscriber User account on which he/she relies and for which he/she is responsible.

4.6. Regular validity period of order

When users use technical analysis tools toorder services, they must provide data traffic value within 8 to 24 (twenty-four) hours.

If users are unable to complete the data order during the task period in time, please deposit part of the funds in time to apply for an extension. Once the time limit is exceeded, they may be subject to order complaints or breach of contract compensation applications initiated by merchants on the cooperation agreement.

If the user violates the obligations stipulated in these Terms of Service, including breach or violation of the representations and warranties stipulated in this Agreement, Singlegrain may terminate the cooperation.

## Article 5 - Conditions of Use of Services

5.1. All users promise not to violate applicable laws and the legitimate interests of third parties and Singlegrain . To this end, when using any technical analysis tool for order optimization services, when the User is invited or has the possibility to upload, suggest, modify data or information on the Service, the User in particular undertakes not to do the following:

Use the Service or any of its elements in a commercial manner without prior written authorization from Singlegrain , subject to the data sharing expressly permitted by the Service and only in a professional environment and not for commercial purposes;

Disseminate false, incorrect, misleading, defamatory or offensive data, information or content;

Violate applicable laws, in particular those relating to intellectual property, in particular by posting infringing content (including creating hyperlinks to websites offering infringing content or simply providing information about such websites),

by the congestion on the chain, and the platform is not responsible for delays.
Once the payment is completed and confirmed, the funds will be irreversible unless fraud is involved or the platform audit fails.

1.3. Exchange Rates and Conversions

All cryptocurrency transactions are converted to US dollars (USD) or equivalent stablecoins at real-time market exchange rates.
Due to cryptocurrency price fluctuations, the payment amount may fluctuate slightly, subject to the final settlement page.

## 2️Financial security and compliance requirements

2.1. Anti-Money Laundering (AML) and Know Your Customer (KYC)

The platform complies with the Bank Secrecy Act (BSA) and FinCEN (Financial Crimes Enforcement Network) compliance requirements, and all users are required to undergo identity verification (KYC).
In the event of suspicious transactions, the platform has the right to require additional identity verification or freeze the account to comply with US financial regulatory policies.

2.2. Fund supervision and legal use

Users shall not use the platform for illegal currency transactions, fraud, money laundering or sanctions evasion (to comply with the OFAC sanctions list).
The platform reserves the right to refuse to provide services to sanctioned countries/regions, including but not limited to Iran, North Korea, Venezuela, etc.

## 3️Task payment and order rules

3.1. Prepaid orders and fund locking

Some tasks require prepaid funds, and users must pay the funds before they can continue to perform the task.
Prepaid order funds will be automatically unlocked after the task is completed. If it is not completed, the funds can be used for partial refund or default processing.
To ensure the normal execution of the task, users cannot withdraw prepaid funds and settled commissions from their accounts before the order is completed.

3.2. Commission Payment and Withdrawal Rules

Task commissions are settled in CPC (pay per click) or CPA (pay per conversion) mode and paid in cryptocurrency.
Minimum withdrawal amount: $10 or equivalent cryptocurrency. Withdrawals must be confirmed through the blockchain network.
Withdrawal requests will be reviewed within 24 hours and arrive based on the chain network status.

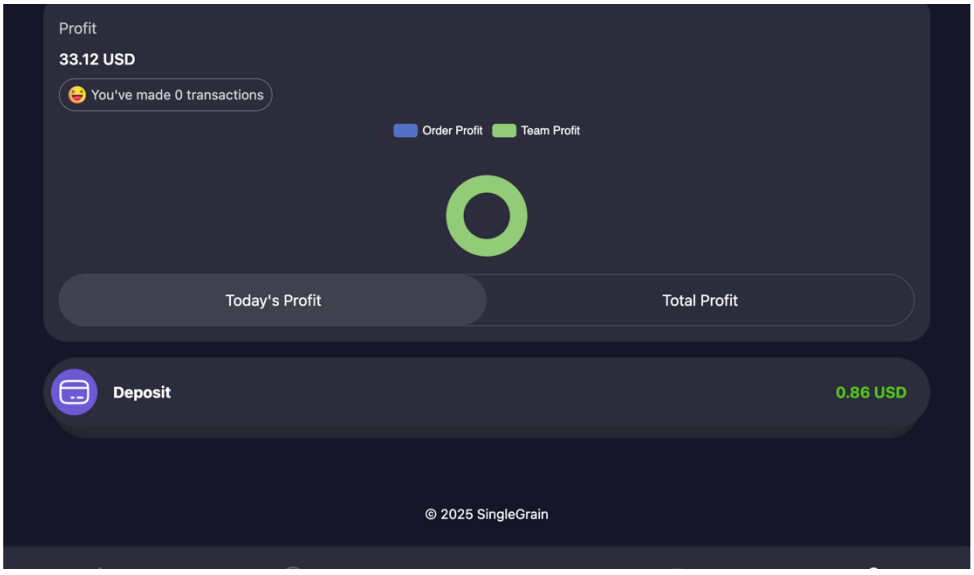
3.3. Application for increased withdrawal limit channel

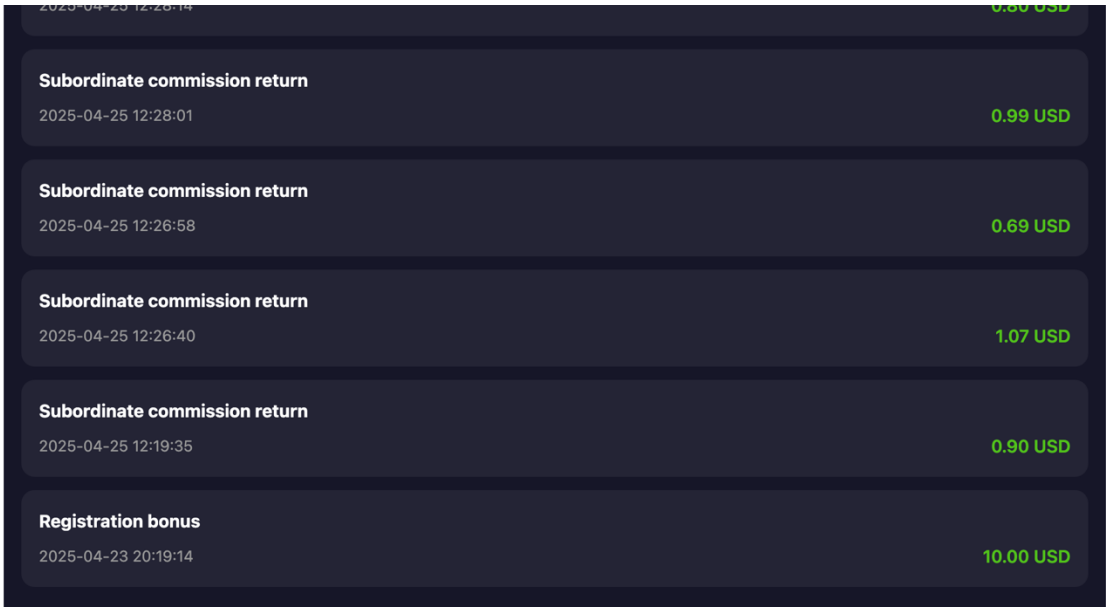
## Settlement Process

- Salary is accumulated based on valid workdays and is paid immediately upon reaching the threshold.
- Payments are processed three times per week. Ensure daily work data compliance and order completion.

## Important Notes

- You must optimize at least 80 orders per day for it to count as a valid workday.
- Days that do not meet the requirement will not be





**Legal actions may be taken in cases of serious misconduct or fraud.**

**5. Amendments**

**Singlegrain reserves the right to update or amend these terms at any time. All changes will be publicly announced on the platform and will take effect immediately upon publication. Continued participation constitutes acceptance of the updated terms.**

© 2025 SingleGrain

**Prepaid order amount ≥$2000 - $4999 Get $388**
**Prepaid order amount ≥$5,000-$19999 Get $1288**
**Prepaid order amount ≥$20000-$49999 Get $3999**
**Prepaid order amount ≥$50000 Get $7999**

**Enjoy premium user benefits**

**Order amount ≥ $10,000 can be automatically upgraded to premium users, enjoy lower transaction fees, higher rebate rewards, increased daily limits and exclusive account manager services.**

**The fee subsidy and free bonus will be automatically credited to the user's wallet balance after the transaction is confirmed**
**The order must pay the deposit in full, otherwise the fee subsidy will not be available.**
**If the order is canceled or refunded, the fee subsidy and additional bonus will be revoked.**
**Users must ensure that the wallet address is correctly filled in before payment. The company does not bear the asset loss caused by incorrect address filling.**
**The company reserves the right of final interpretation. If there is any violation (such as money laundering, fraud, etc.), the company has the right to cancel the reward qualification.**

About

## What can I do with Single Grain?

We built Single Grain for the merketing industry. Depending on your role in the business, you can use Single Grain to:

Monitor products release performance

Review products reports

Get insights and confirm the potential of merchant you want to sign

Measure the impact of marketing campaigns across all trading and platforms

Find growth opportunities and identify high-potential local markets

Get a comprehensive view of your product's market visibility, optimize your sales strategy, earn commissions by enhancing platform data orders, and engage in various promotional and social activities!

## Who are Single Grain users?

## .Product Managers

## .Marketing/Promotion Teams

## .Sales Teams

## .Business Development Teams

## .Distribution Teams

## What Sets Single Grain Apart?

Single Grain is an all-in-one platform that provides comprehensive, real-time data to support your business operations. Whether it's tracking market trends, monitoring campaign performance, or analyzing customer behavior, Single Grain consolidates data from multiple sources into a clear, integrated dashboard.

We're not just tech experts building data solutions — we're industry professionals who understand the challenges you face. Our platform is designed to provide actionable insights, not just numbers, so you can make informed decisions with confidence.

## At Single Grain, we prioritize your success. That means offering you:
